

ADVERTISING SPECIFICATIONS

^aDASHER BOARDS at Paul Hruby Ice Arena

- Business/Organization is responsible for providing dasher board advertising collateral on a 30”h x 90”w PPM7 Polypropylene Banner, printed on high quality, full color, matte finish.
- All artwork shall be approved by Park District of Oak Park (PDOP) prior to collateral creation.
- PDOP is responsible for the installation, repair, replacement and removal of all dasher board advertisement collateral. PDOP will provide Lexan covering, which is specially designed to limit damage from ice skates, pucks and sports equipment.
- **Full payment and artwork DUE no later than December 27th!**
All artwork needs to be approved by PDOP prior to display. Prior to production, please email all artwork to Maureen.McCarthy@pdop.org.
- Once approved, please deliver your banners to us at 218 Madison, Oak Park, IL 60302. We will then hang banners at select locations. Please note, hanging of banners is included in the price and managed by the Park District.

^bBANNERS

- Business /Organization is responsible for providing 8’w x 3’h Banners and should be created to sustain various weather elements.
- Grommets should be placed all sides of the banner, including corners.
- All artwork shall be approved by Park District of Oak Park (PDOP) prior to collateral creation.
