# Behind the Scenes

## A note from your Ice Show Directors:

It's amazing that a sport created in the 13th century is still being practiced today. Ice Show 2020: Playlist is the result of the efforts of many people and departments—tonight would not have been possible without all of their contributions. To all those who have assisted and supported us through the process, we want to say:

## Thank You!

Volunteers	Lighting Staff
Concessions Staff	Park District Staff
Skaters and Features	Marketing Staff
Customer Service Team	Fay Andreas (Lighting Director)
Choreographers	dtKindler Photo
Parents	Star Productions
Automated Lighting Design	Maria Kunigk, set design
Maintenance Staff	

*Now sit back, relax, and enjoy the show!*

*Cathy Brown and Kayla Fauria*

## Notes

Please enter and leave the bleachers in between performance numbers as to not affect others' view of the skaters. Photography and video recording are permitted. An official Ice Show 2020 video will be available for purchase. You can pre-order your copy in the lobby. Food and drink are allowed in the bleachers. Please remove any trash.

Thank you for your cooperation.

## To our Skating Stars and their Families:

This has been another great year for the Skate Academy as well as the Oak Park community as a whole. This is our sixth year of year-round operations in the renovated Ridgeland Common Recreation Complex. Inspired by our performers and instructors' love and passion for this sport we present the 52nd Annual Ice Show: Play List 2020.

Our Skate Academy serves over 1000 participants every year including the super stars you will see tonight. The Ice Show acts as a showcase for all of the hard work, commitment, and determination that takes place throughout the year. This performance demonstrates the dedication of all the skaters and staff that have worked tirelessly to ensure the great show you will see tonight. A big thank you must be extended to the parents, siblings, coaches, and caregivers who selflessly give their time to bring skaters to class, practice times, and of course, all the rehearsals required to make this show a success. It involves a high level of commitment on the part of the skaters and their families. For many, it means getting up early and going to bed late, trying to juggle school, homework, and other activities. To the instructors, skaters, and their families: thank you for your efforts in making this show a success.

If you have skaters new to our program and wonder about the benefits of recreational and competitive skating, look no further than our feature skaters, like graduating senior Hannah Maloy, Tess McConville, Claire Moaley, Lauren Winchill who demonstrate grace, athleticism, and poise on and off the ice.

Finally a big thanks to the Volunteers and the Skate Academy, Rink Maintenance, Marketing and Rink Operations staff. This event is truly the culmination of many different people and departments coming together and working long hours to deliver the best quality product that our skaters and their families know and expect.

Thank you for attending the 52nd Annual Ice Show: Playlist 2020 and
