POL.B.01.01 - Purpose of Policies

These policies, adopted unanimously by the Board of Commissioners of the Park District of Oak Park (the “District”), set forth many basic tenets to guide the Board of Commissioner (the “Board”) as it governs the District and the staff in administering the policies. These policies not intended to be comprehensive in nature; the Board maintains additional rules, regulations, and guidelines. Through the use of these policies, the Board hopes to ensure good, honest, and accountable representation of and service to its constituents.

The responsibility for creating and updating, or causing to be created, procedures for implementing policy falls to the Executive Director. The differences between "policy" and "procedure" are outlined below:

Policy

A policy is any plan or course of action reflecting the aims to be achieved by the District that are officially approved by the Board. It reflects value judgments on issues related to the purposes of the Park District and gives direction to the Executive Director and staff in the discharge of their duties. The formulation and adoption of these written policies shall constitute the basic method by which the Board shall exercise its leadership in overseeing the operation of the District. A policy must be formally adopted by the Board and recorded in the minutes of the meetings of the Board.

Procedure

A procedure is any plan or course of action formulated, developed, and implemented by the Executive Director to facilitate day-to-day District operations within the respective policies established in writing by the Board. Procedure guides the staff in providing efficient and enjoyable recreational experiences for the public by detailing the specific course of action to be taken within the general framework of policy. The Executive Director shall have the function and responsibility of specifying the action required and designing the detailed arrangements under which the District will be operated.

This is the mission of the District: *“In partnership with the community, we enrich lives by providing meaningful experiences through programs, parks, and facilities.”* Our vision is to, *“strive to exceed the needs of our diverse community with a collaborative and innovative approach.”*

The District’s parks and other facilities provide quality open space and recreation opportunities for all District residents, and the Board will work persistently to maintain the availability of the District’s parks, other facilities, and programs for generations to come. The Board believes that the system is a major contributor to the enhanced quality of life that exists in Oak Park. The Board values and respects the history of Oak Park and of the District, the District’s civic involvement, and the District’s tradition of innovation, and the Board strongly considers these factors as it plans for the future.

The Board believes strongly in the value of citizen participation in the Board’s governance of the District. The Board thus will conduct the business of the District in an open and communicative fashion, seeking feedback and advice whenever possible. The Board will reach out to all residents of the District to assure that all are served equally to the fullest extent possible with the resources of the District.

The Board believes that one key to maintaining an excellent parks and recreation system is to sustain partnerships with other agencies throughout the community who can contribute to the services provided by the District. These valuable partnerships may be with agencies within the District’s boundaries or outside of them. The Board is committed to seeking out these partnerships.

In addition, the Board is committed to preserving the open spaces it owns even while offering innovative, high quality programs.

POL.B.03.04 - Actions Taken in Representative Capacity

Board members, collectively and individually, act as representatives of the residents of the District in maintaining and promoting the District’s parks, other facilities, and programs. POL.B.03.05 - Collective Decision-Making

In the discharge of their duties, Board members act collectively as a Board and not as individuals. Board members always should abide by the majority vote of the Board and support the determination of that majority. Also, an individual Board member should not speak for the Board unless authorized to do so by the Board. It is improper and ill-advised for an individual Board member to make a public pronouncement or engage in conjecture about a Board matter that has not yet been decided, an action of the Board or any matter that has been discussed in an executive session of the Board.

Board members will educate themselves about, and comply with, all other federal, state and local laws, regulations, and ordinances applicable to the conduct of the Park District's elected officials. It is never appropriate, however, for a Board member to speak to a media representative without first knowing all of the facts and circumstances about the matter of inquiry. If a Board member speaks for himself or herself, then that Board member first should be fully informed about the matter at hand and should clearly state that his or her comments are being made as a private resident and not as a representative of the District. Guidelines for Commissioners in their Role as Liaisons

The Park District of Oak Park maintains a policy of intergovernmental and civic cooperation. The Board of Commissioners encourages communication and cooperation with other local governments and with public and private organizations that enhance Park District programs and interests.

These guidelines apply to the Commissioners in their roles as liaisons. By adhering to these guidelines, the Commissioners will maintain consistent and transparent relationships with the assigned organizations and thereby maximize the value of the liaison program.

General Standards:

- When your liaison assignment is made, contact your assigned organization promptly, introduce yourself, and open channels of communications, including meeting dates, times, and locations.

- Attend your assigned organization's board meetings diligently, not less than once per quarter for those organizations that meet monthly.
- Be prepared to speak at a meeting about interesting activities or initiatives of the Park District. The Executive Director's Report includes useful information, and you can call the Executive Director for additional information.
- Take notes during a meeting of relevant and interesting activities. Contact the PDOP Executive Director about any item on which she or he should follow up. Provide details as necessary.
- Be prepared to report to your colleagues on interesting matters at the next Board of Commissioners' meeting as well as share information regarding functions and activities related to the affiliate organization.

Important Elements:

- You are not a board member of your assigned organization and thus you should never assume that role. You attend meetings to listen and observe, not to question the operations or otherwise participate in your assigned organization's business items.
- You should not be an advocate for your assigned organization or for its programs or initiatives, but instead you should remain a neutral listener and observer.
- You should not suggest policies or practices to your assigned organization, even if you are asked to do so.
- If you are asked, then you may answer questions about a Park District matter, but you should not discuss any Park District matter that has not yet been discussed in an open meeting of the Board of Commissioners.
- As a single Commissioner, you cannot speak on behalf of the Board of Commissioners except when the Board has taken a final position on the matter or has directed you to speak on a topic as a representative of the Board.
- At any time you have a question or concern about your liaison assignment or your assigned organization, you should contact the Executive Director promptly.

POL.B.05.05 - Electronic Meeting Attendance

The Illinois Open Meetings Act, 5 ILCS 120/1 et seq. (the “Act”), requires that the actions of public bodies be taken openly and that their deliberations be conducted in open meetings, except for certain limited circumstances that permit closed meetings. The definition of “meeting” includes meetings by electronic means, including video or audio conference, telephone, e-mail, and instant message. This Policy is intended to adopt certain rules and procedures for electronic meeting attendance via video or audio conference by members of boards, commissions, and committees of the Park District consistent with the requirements of the Open Meetings Act. A member of a Public Body is qualified to attend a meeting of that Public Body electronically only if the member is physically prevented from attending the meeting by: personal illness or disability; employment purposes or the business of the public body; or a family or other emergency. The following procedures are required before a member of a Public Body is authorized to attend electronically a meeting of that Public Body:

a. Notice to the Secretary. The member must notify the Park District Secretary in writing at least 48 hours prior to the meeting in which the member desires to attend electronically, unless advance notice is impractical. The notice shall use the appropriate form to identify the reason the member cannot be physically present at the meeting in accordance with this Policy. If the member is unable to give the required written notice prior to the meeting, then the member shall notify the Park District Secretary by other means prior to the meeting and shall submit the required written notice as soon as practicable following the meeting.

b. Determination of Authorization of Electronic Attendance. Upon receipt of notice in accordance with Subsection IV.A, the Park District Secretary shall promptly forward the notice to the presiding officer of the Public Body. After establishing that a quorum of the Public Body is physically present at the meeting at which a member has requested to attend electronically, the presiding officer shall state that (i) a notice was received by a member of the Public Body in accordance with this Policy and (ii) the member will be deemed authorized to attend the meeting electronically unless a motion objecting to the member’s electronic attendance is made, seconded, and approved by three-fourths of the members of the Public Body physically present at the meeting. If no such motion is made and seconded or if any such motion fails to achieve the required vote by the members of the Public Body physically present at the meeting, then the request by the member to attend the meeting electronically shall be deemed approved by the Public Body and the presiding officer shall declare the requesting member present. After such declaration by the presiding officer, the question of a member’s electronic attendance may not be reconsidered.

A meeting of a Public Body at which any member has been authorized to attend electronically must be conducted in accordance with the following special rules, in addition to any other applicable rules and procedures of the Public Body:

a. Roll Call and Quorum. A quorum of the Public Body must be physically present at the meeting. Following the call of the roll, and at the conclusion of the determination of authorization of electronic attendance, the

presiding officer shall identify each member who is attending the meeting electronically.

b. Identification and Recognition of Electronic Attendees. Any member attending electronically must identify himself or herself each time the member wishes to speak and must be recognized by the presiding officer prior to addressing matters before the Public Body.

c. Public Access to Meeting. The speech of a member attending electronically shall be amplified in such a manner that it shall be generally audible to members of the Public Body and the public who are physically present at the meeting. Also, any video image of a member attending electronically shall be projected in such a manner that the member's video image shall be generally visible and audible to members of the Public Body and the public who are physically present at the meeting. In addition, the votes of any member of the Public Body attending electronically shall be generally audible at the location where such meeting is being held and expressly acknowledged by the presiding officer. When a member attends a closed meeting electronically, the member's speech shall be generally audible to all members of the Public Body who are physically present at the meeting, and the audio recording of the meeting required by the Act shall incorporate the speech of the member electronically attending the closed meeting.

d. Minutes. The minutes of each meeting of a Public Body shall identify which of the members of the Public Body were physically present and, if applicable, which members of the Public Body attended electronically. The minutes also shall reflect the reason for a member's attendance electronically, the fact that there was no valid objection to such attendance pursuant to this Policy, and the electronic means by which the member attended the meeting.

A member attending a meeting of a Public Body electronically shall be considered present at the meeting and entitled to vote on any matter before the Public Body as if the member were physically present at the meeting, provided that the member's attendance at the meeting electronically complies with the terms of this Policy. In the event of a bona fide disaster, as defined in the Illinois Emergency Management Agency Act, 20 ILCS 3305/1 et seq. ("IEMAA"), this Policy shall not apply to restrict the conduct of public business by a Public Body, provided such public business is conducted in accordance with Subsection 10(j) of the IEMAA.

POL.B.08.07 - Debt Service Principles and Procedures

Inappropriate levels of general obligation debt can create financial difficulty. For example, short-term borrowing to cover routine costs can be expensive and may be a sign that the District is becoming financially overextended. Further, an unduly high level of debt may place an undue financial burden on the taxpayers and thereby adversely affect the health of the local business community. Reasonable levels of debt, however, may provide a mechanism to reduce costs for the District by allowing funding of projects or equipment purchases sooner than possible if those projects or equipment purchases were paid with current funds, thus reducing or negating cost increases due to inflation. Issuing debt also is a mechanism for spreading the costs of capital improvements equitably among current users and future users of the improvements. The Board also recognizes that the condition of the District's facilities, equipment, and programs are an important component in maintaining the desirability of the area and local property. For this reason, too, it may be desirable to issue debt to secure the funds necessary for maintenance and improvement of the District's facilities, equipment, and programs. The Board thus intends to adhere to the following general debt policies:

- a. The Board will endeavor to achieve and maintain the highest possible bond rating for the District.
- b. Except under extraordinary circumstances, average annual bond maturities shall not exceed 20 years.
- c. The District will endeavor to maintain minimum reserves in the Debt Service Fund at least equal to the next required principal and interest payments on outstanding debt.
- d. Except in emergencies or other extraordinary circumstances, borrowing shall be undertaken only to fund to capital improvements included in the District's 5-Year Capital Projects Plan.
- e. Because the District's authority to issue bonds is restricted by the Illinois Property Tax Extension Limitation Act's debt service extension base limit, the Board may choose under appropriate circumstances to issue debt certificates instead of bonds.
- f. No person or committee or other entity shall be authorized to create any financial liability on behalf of the District except only as approved in nature and amount by the Board or in accordance with the District's purchasing policy.
- g. The 5-Year Capital Projects Plan shall be the basis for planning and consideration of issuance of bonds or other instruments.
