Greetings from PDCP Show Director:

Thanks to family, friends, and volunteers for making this show possible! Our teachers and students have been working hard to bring you this performance, and we're glad we can be together indoors again safely to share the fun of performing! Special thanks to James Demeny and Katie Pruyn our fabulous directors, and Aimee Keillor + our amazing stage crew for creating our spectacular sets and props.

Sincerely,

Erin Coffman

**We are offering theatre classes this fall!
Come have fun while learning to sing, act, and dance
with us. We are even offering a new Stage Combat class,
where you'll get to stage fight like your favorite actors!
Registration begins 8/6, for more information check out:
