B. Parks and Planning Committee

1. 2023-2027 CIP Plan Approval: Mitch Bowlin (on behalf of Executive Director Arnold) reminded the Board that it has been the practice of the District to update its five-year Capital Improvement Plan (CIP) every year to ensure priorities remain. The 2023-2027 CIP is focused on funds for the completion of the CRC; funds for maintenance and new structure at Rehm Pool; funds for the master plan updates at Andersen Park, Longfellow Park, Barrie Park and Center, Field Park and Center; funds for additional improvements at the Dole Center, the Conservatory, and Cheney Mansion; and in addition, turf replacements at Brooks, Julian, and Irving fields. Commissioners noted the need to continue to review the Rehm Pool improvements and to obtain community input. A motion was made by Commissioner Worley-Hood and seconded by Commissioner Lentz to approve the 2023-2027 Capital Improvement Plan. **The motion was passed by a roll call vote of 5:0.**
2. Approval of CRC Furnishings: Mitch Bowling reminded the Board that staff worked with Corporate Concepts to identify appropriate furnishings for the lobby and classroom spaces for the CRC. Staff will be using pricing from the Illinois Joint Powers Alliance (IJPA), which is a public agency that offers competitively bid contracted products, equipment, and services to education and governmental entities throughout the country. The Board asked that the furniture be stain resistant. A motion was made by Commissioner Worley-Hood and seconded by Commissioner Wick to approve the bid contract by IJPA to purchase furnishings in the amount not to exceed \$48,375.43. **The motion was passed by a roll call vote of 5:0.**

C. Administration and Finance Committee

1. Mid-Year Review of Budget: Mitch Bowlin discussed some of the challenges related to the budget which include COVID and property taxes. The second installment for property taxes was delayed by four months, until the end of October. The timeline for the turnaround would be pretty quick after, and staff will receive the funds by the end of the fiscal year. The Board inquired how often does this delay happen. According to Mitch Bowlin, a delay has occurred in the last three years however this time, the county is going through a finance software transition that has impacted this delay. Once this delay passes, staff would be back on schedule. The Board noted that this is a reason why staff carries a strong 25% fund balance to cover for these types of delays. Mitch Bowlin also briefed the Board on the projections for the fall/winter program registrations and revenue. In addition, expenses are noted to be ahead of schedule due to the CRC. The Board also discussed additional significant expenses to the budget which includes increases to part-time wages to match the current market. **No action is needed by the Board on this item.**
2. 2022 Strategic Plan Progress Update: Mitch Bowlin provided the Board an update in which staff has been working hard to meet the 2022 strategic plan initiative which includes the processes made on each strategic goal. These goals include customer and community focus, financially strong, staff excellence, organizational excellence, and maintaining and improving infrastructure. The Board confirmed that staff are on target for 2022. **No action is needed by the Board on this item.**

VII. NEW BUSINESS

A. 2022 Quarterly Performance Measures Update: Mitch Bowlin provided the Board an overview of the overall goal performance for the Park District. This included an overview of the strategic plan goals completed for 2022. In addition, a general overview of the fund balances, volunteer hours reported at facilities, parks report card to provide an average score of all parks, and electrical and water utility usage. This overview was provided to show what staff are doing to achieve a financially strong outcome. The Board appreciated the information provided. **No action is needed by the Board on this item.**

VIII. COMMISSIONERS' COMMENTS

Commissioner Wollmuth – No comments were provided by Commissioner Wollmuth.

Commissioner Lentz – Looking for additional sustainability programs with the Village of Oak Park for additional ideas on sustainability to brainstorm for the upcoming year. Also noted that the theater developed a system to provide text during the performance of *A Winter's Tale* for the hearing impaired which looks to be a great system. The theater is also working with a Chicago area theater that will accept set equipment and costumes to repurpose which is very exciting. In addition, the grandkids are looking forward to going to Rehm pool over the weekend.

Commissioner Worley-Hood – Has been traveling as a park tourist at different locations to see what other park districts are doing at their own parks.

Commissioner Wick – Noticed new Facebook advertisements posted for park cleanup and the Neighborhood night at Taylor Park. It was great to see the new postings, as well as being able to see all of the families at Movies in the Park.

President Porreca – Planning to discuss with Executive Director Arnold on the NRPA sessions that would most benefit board members at conference.

Re: Park District Citizen Committee Application

Statement

The Park District Citizen Committee (PDCC) was established in Fall 2003, to oversee the development of the Comprehensive Master Plan. Since the plan's completion, the responsibility of the PDCC has been to oversee the implementation of the Comprehensive Master Plan and the development and ongoing review of the park site plans, as well as to provide a valuable communication channel between the Park District and the citizens of Oak Park. The Mission and Guiding Principles of the Park District Citizen Committee state the committee should include 13 members.

Discussion

There are currently only 10 members on the committee. Andrew France has expressed interest in joining the Park District Citizen Committee. Andrew has lived in Oak Park for over 20 years and is a daily user of the parks. He has been a youth sports coach, adult sports participant, and dog owner. He and his family live near Ridgeland Common.

Andrew attended the August PDCC meeting and expressed his desire to join the committee.

Conclusion

The Administration and Finance Committee recommends that the Park Board approve the appointment of Andrew France as a member of the Park District Citizen Committee to serve a three-year term.

- 5. Community Recreation Center (CRC)** – Perkins and Will (Architects); Bulley and Andrews (Construction Manager). The CRC will be constructed as a net-zero energy facility. The facility will include two community rooms, a multi-purpose room, kids play zone, e-sports room, fitness room, fitness center, walking track, basketball/sport courts, and the office space for the Community Mental Health Board. Construction began March 21, 2022, and will be completed in the Spring of 2023. All structural steel work has been completed to date and all of the building's concrete flatwork has been poured. Site temporary power has been installed along with temporary lighting and power stations throughout the facility. The electrician is on site installing rough-in piping as well as lighting boxes and outlets. HVAC ductwork layout and supports are starting on the first floor. Solar final plans and submittals are received. The fiber connection from 218 Madison to the CRC will cross Madison Street over the next two weeks and street patching will follow. Utility crossing at Highland Avenue will start on September 12th with daily closures all week. The street will be re-opened every evening for local traffic. The East and West stairways are installed and concrete infill has been poured. Interior framing has started and the main electrical room is completed to allow the electricians to keep moving. Exterior framing started on August 10th along the south wall and will continue around the building clockwise. Exterior masonry and roof insulation will start up the week of September 12th and continue for the next four weeks. Metal panels arrive mid- September and will start on the southeast corner. Work on the west lot started the last week of August, and will be completed in early October. Safety reports are consistently positive and the site remains very clean with daily labor. All submittals and RFI's are coming through with quick review.

6. **CRC Tribute Pavers** – The Park Foundation has done a tremendous job to fundraise for the Community Recreation Center (CRC) and reached the 75% goal in September of 2021. Now that their campaign has gone public and the CRC has moved forward in the building process with a target date of March 2023, for completion, the Foundation is selling tribute pavers that will be placed at the entrance of the CRC. On July 6th, the first order was placed for pavers that will be installed in early October. Additional pavers can be added going forward. Currently 125 pavers totaling \$68,750 have been ordered.
7. **Pools** – Rehm Pool opened on Saturday May 28th for both lap and community use. It was a busy weekend with warm weather. RCRC opened for lap swim on May 31st and for summer operations on June 8th with the dismissal of D97 for the summer. The pools have been busy with Chicago being delayed in opening their pools and in Forest Park, only allowing residents and passholders. Staff are working to improve rule enforcement and manage behaviors. The Pool received Exceeds for all three of our Ellis Audits this year. Great job aquatics team. Pools closed for the season on Monday, September 5th. The team did an excellent job this year with the large crowds, heat, etc.
8. **Splash Pads** – All four splash pads opened on Friday, May 30th, for the summer and are being thoroughly enjoyed. They will remain operational until late September.
9. **Fall Fest** – Fall Fest will take place September 25, 2022 from 11:00am through 2:00pm. The event will take place at the Conservatory and at Rehm Park. Rehm Park will offer lots of fun options for our youth. Also, join us in the Rubinstein Garden where every child can select their own pumpkin to take home. We'll also have activities inside the Conservatory for all to enjoy.
10. **228-230 Madison Parking Lot** –The Park District went out to bid on June 27th and received six bids on July 13th. The number received from the bids were twice of the amount budgeted which is a direct reflection of the rapid rising costs in the construction industry. As such, the Park District has decided to rebid in December for Spring 2023.

HISTORIC PROPERTIES

Susan Crane, Historical Properties & Special Events Manager

Cheney Mansion

- Summer continued on with a busy August full of private rentals with 7 rentals, three Special events, and one Corporate rental. We also had a 2-week 'Teen Cooking Camp' as part of the Summer Camp offerings which sold out the first day back in February. Great energy from all students, and wonderful meals coming out of the kitchen. Each week focused on a different region throughout the world. We are continuing this as a series during the year.
- Cheney also hosted the return of the OPRF Huskie Booster Event after a three-year hiatus due to COVID. It was very well attended with over 100 people and the Boosters will return again next year.
- The Village of Oak Park continued their COVID-19 vaccination clinic at Cheney and will continue through at least December. Rental appointments were strong at 20 for the month with 33% of those visiting, booking events, and mostly weddings for 2022.

Pleasant Home

- Lego Camp wrapped up their summer stint by Mid-August.
- The Pleasant Home Foundation ran their Silent Movies on the front porch Thursdays throughout August and they were well attended.
- We hosted two Special Events at the end of August and rental interest is on the uptick for Special Events in Fall and weddings in 2023.

Community Events

- Our concert in the Parks wrapped up on August 28th; and while shortened due to weather, we were able to get about 45 minutes to an hour of the concert in before weather came in. We were fortunate this year to not have any cancellations of the 12 concerts and only had two that were shortened due to incoming weather. All were well attended and we will have our zero waste totals by the September update.

- Our August movie was on Thursday August 18th and the movie was Babe. Our last movie of the season will be on September 15th showing the whodunit, “Knives Out”. Next summer, we are going to try movies on Friday evenings. With the sun setting so late particularly in June and July, late endings may not be such an issue if on a Friday. We also will not be in competition with Thursday Night Out in Downtown Oak Park.

Patti Staley, Director of Horticulture and Conservatory Operations

- The Conservatory welcomed 3,372 visitors during the month of August.
- Story time at the Conservatory was on Wednesday with 125 participants.

Staff completed many projects including removing the ice and cleaning the rink surface in preparation for installation and painting of the new surface. Locker rooms and rink perimeter were also painted. Locker rooms 1 and 5 were painted in the Ice Bears colors, led by Program Supervisor, Abby Sacks.
- R&R Specialties painted the ice surface and installed lines and logos with the help of some of our staff. The painting was delayed three days for unforeseen issues on R&R’s part. Staff led by Maintenance Supervisor, Bill Moreth, spent 5 days building the ice sheet’s depth. The finished ice surface looks great and we were ready for our first figure skating classes of the new session on September 6th.

RECREATION**Joe Lilly, Program Manager****Afterschool**

- Afterschool started back up again on August 24th.
- We currently have just shy of 300 participants across 8 locations.
- We are still actively hiring for afterschool staff.

Teens

- Video Game Club continues to grow in popularity after the addition of our new E-Sports Coordinator.
- With marketing departments' assistance, we have created a discord channel to communicate with the video game club and e-sports participants regularly.
- We are now offering a safe at home class, similar to our safe sitter class, for slightly younger participants. Our first class is scheduled for September 17th.
- We had two teen adventure trips run in August going to indoor skydiving and a high ropes course.

Preschool/Early Childhood

- Pre-school began on September 6th.
- We increased enrollment for our Playschool class at Longfellow due to large waitlists.
- We have a number of new early childhood activities starting this fall including cutting vegetables, chef toddler, and sippy cup and paint that are both showing positive registration numbers.

Nature/Adventure

- We ran our first outdoor cooking class this past weekend.
- Thanks to the creativity of Hannah Szuch, we have been able to expand Nature/Adventure into its own program category instead of being a subset of Special Interest for Fall/Winter 2022-2023.
- We have a number of upcoming local nature hikes that are filling very quickly.
- Spooky Stroll and Family Campout events are sold out.

Arts/Active Adults

- We have reached a milestone of over 300 active adults.
- Ballet classes continue to be popular and have filled very quickly for the Fall.
- Our Open studio activities at the Dole Center continue to grow with many fillings such as painting, that already has 274 unique registrations for the Fall/Winter.

Chad Drufke, Program Manager**Fitness/Circus**

- We are hiring a new fitness instructor to our team in September. This instructor will be teaching *Push the Bar Pilates, Power Up and Fit Fun*.
- An order was placed to purchase some large ticket items for the CRC including volleyball systems, pickleball nets and portable bleachers.

Sports/Martial Arts/Facility Attendants

- Our fall adult indoor volleyball league returns this September after a two-year absence due to the pandemic. We have six teams enrolled with the league taking place at Julian Jr. High.
- Our youth fall soccer league for ages 3-4 and 5-6 begins in September. We have 240 youth enrolled into the program that will take place on Saturdays at Stevenson Park.
- I was able to speak at the August Park District Citizens Committee meeting and inform the committee of all the great sports/fitness programs our team offers.

Re: August 2022 Revenue Expense Report

Statement

Attached with this memo are the Revenue and Expense summary charts and reports. The 2022 Budget vs Actual chart shows total year-to-date (YTD) operating revenues, expenses, and net income compared to the YTD Budget. The Month Actual - 3 Year Comparison chart compares the month's actuals against the prior two-year monthly actuals for 2020, and 2021.

Operating revenue is 19% under budget YTD primarily due to the second installment property tax bills not yet being delivered by Cook County. Excluding tax receipts, the remainder of the operating revenue lines are averaging 13% over YTD Budget. The County will be approximately 4 months late sending out 2022 second installment bills, so the District anticipates FY 2022 tax collections to still be on par with budget expectations, but delivered later than anticipated. Staff have done multiple cash flow projections and are confident the District will remain solvent despite the delay. Fees and Charges, Intergovernmental Revenue, and Program Revenue are all performing exceptionally strongly this year. Intergovernmental revenue is higher than budgeted due to Personal Property Replacement Taxes (PPRT) receipts surpassing the YTD budget. Fees and Charges and Program Revenue standouts are described below in the highlights.

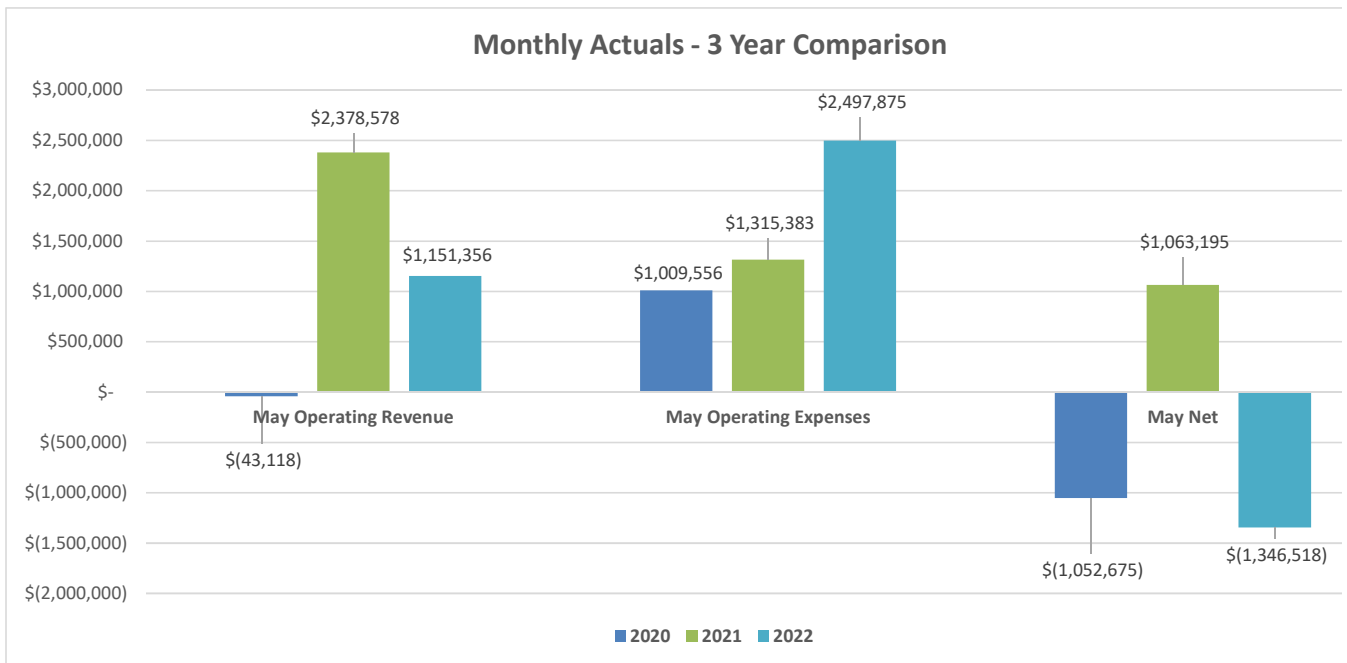

Expenses are below budget in all categories except for capital. Water bill payments to the Village are three months behind, with April bills being paid in July – it is important to note that this means many of the expenses associated with opening and operating the pools have not yet been reflected in the financial statements. Capital Projects are over budget YTD due to faster than expected progress at the CRC and some of the more expensive items in the budget being front loaded into the construction process. Due to the progress and the front loading of purchasing for the CRC, the District will be amending its 2022 Budget. It is important to note that the total project budget is not running over, but the timing is quicker than anticipated and the project will span two fiscal years. Fortunately, the District entered the project in a strong financial position and is able to accommodate these expenses despite the delay in property tax revenue. Capital budgets will be updated for the month of September due to the budget amendment.

The August Revenue Expense Reports highlights include:

- The following departments and programs have performed better than budget through August:
 - Recreation: Community Day Camps, Special Interest programs, Active Adults, Youth Sports Clinics, Youth Skateboarding, Adult Sports, Nature & Adventure programs, Teen Classes
 - Aquatics: Pool Passes, Daily Swim Fees
 - Rink: Daily Rink Fees, Rink Passes, Rink Rentals, Youth Hockey, Learn to Skate
 - Gymnastics: Playtime, Recreational gymnastics, Preschool gymnastics
- Health Insurance expense actuals are lower than budgeted due to vacant full-time roles being budgeted with the highest cost health insurance.

D200/PDOP IGA RC Field Sharing

Memo

To: David Wick, Chair, Administration and Finance Committee
Board of Park Commissioners

From: Jan Arnold, Executive Director

Date: September 6, 2022

Re: D200/PDOP IGA RC Field Sharing

Statement

School District 200 (D200) and Park District of Oak Park (PDOP) have a history of partnering at a variety of levels, but specifically, with the use of facility spaces when one entity does not have that particular asset. D200 and PDOP have a comprehensive Intergovernmental Agreement (IGA) for use of fields, gymnasiums and other indoor spaces.

D200 access to the Concordia track will end December 2023, thus there is a need to identify a location to construct a new track. Additionally, the community is interested in government bodies collaborating where it is prudent to do so. There is interest in evaluating the potential for PDOP allowing D200 additional access to RCRC fields. The PDOP's lost hours on the RCRC fields resulting from this expanded access would need to be made up at D200 fields so PDOP can continue to support our youth partner organizations and PDOP programming. The need for expanded field lights on the Lake/East field until 10pm is required to make the sharing possible.

Discussion

In April, a Memorandum of Understanding (MOU) was agreed upon between the Park District of Oak Park (PDOP) and School District 200 (D200) on the collaborative improvement and use of playing/sports fields at Ridgeland Common (RC). In June, a joint meeting between PDOP and D200 Board's was held to discuss the potential sharing and community benefit.

After conversations and meetings with the Village of Oak Park's (VOP) Plan Commission and held a community meeting with D200, staff submits the attached IGA for Park Board consideration. The proposed improvements include the installation of two scoreboards, security cameras, additional netting, and replacement of multi-use all weather synthetic turf fields at RC, all funded by D200. These improvements will continue to support D200's physical education program, expanded use for its softball program, and PDOP will continue to provide programming for its programs and affiliate youth sports organizations at RC. PDOP will also have access to both D200's new baseball field, as well as its new synthetic field for our program needs. The agreement is for 25-years, and has been reviewed by legal counsel.

The Village of Oak Park Board is scheduled to approved the revised lighting ordinance at their meeting on Tuesday, September 6th. Pending this approval, PDOP staff have no hesitation with recommending moving forward with the attached IGA.

Conclusion

The Administration and Finance Committee recommends the approval of the IGA between D200 and PDOP for shared field opportunities at Ridgeland Common to support the construction of a D200 track on their property.

**INTERGOVERNMENTAL COOPERATION AGREEMENT
REGARDING INSTALLATION OF FIELD TURF AND USE OF THE RIDGELAND
COMMON ATHLETIC FIELD**

This Agreement (the “Ridgeland Common Field Agreement” or the “Agreement”) is made between the Board of Education of Oak Park River Forest Township High School District No. 200, Cook County, Illinois (the “School District”) and the Board of Park Commissioners of the Park District of Oak Park, Cook County, Illinois (the “Park District”) as of the effective date (the “Effective Date”) set forth in Section VIII.N of this Agreement. The School District and the Park District are hereinafter sometimes referred to individually as a “Party” and collectively as the “Parties”.

WHEREAS, the Illinois Constitution and statutes encourage and permit intergovernmental cooperation between units of local government; and

WHEREAS, the Parties entered into an intergovernmental agreement for shared use of facilities and cooperative planning dated April 8, 2021 (the “Original Shared Use Agreement”) that the Parties now wish to supplement and amend pursuant to this Agreement; and

WHEREAS, the Park District is the owner of a property commonly known as the Ridgeland Common Recreation Complex and legally described in **Exhibit A**, attached to and by this reference incorporated into this Agreement, which includes an outdoor athletic field (the “Ridgeland Common Field”); and

WHEREAS, the School District desires to use Ridgeland Common Field for its own programs and activities and, in exchange for the use of the Park District property, the School District agrees to complete and fund certain improvements to Ridgeland Common Field; and

WHEREAS, pursuant to this Agreement, the School District intends to enter into a contract for the replacement of a synthetic turf sports field at the Ridgeland Common Field (the “Project”), all of which costs shall be paid for by the School District. The construction is anticipated to be completed for use during the 202_ - 202_ school year; and

WHEREAS, as consideration for the School District paying for the construction of the Project, the Park District shall permit the School District to extensively use the Ridgeland Common Field in accordance with this Agreement; and

WHEREAS, the Park District has determined that access to and use of a synthetic turf field at the Ridgeland Common Field for such park and recreational purposes under the direction and control of the Park District would be appropriate, useful, and necessary in order to enhance recreational opportunities available for the residents of the Park District; and

WHEREAS, by the entering into this Agreement, the Parties agree that the constituencies of both the School District and the Park District will be more effectively and economically served by the School District and the Park District sharing the costs of the Project;

NOW, THEREFORE, in consideration of the foregoing and the mutual promises contained herein, the School District and the Park District agree as follows:

I. Original Shared Use Agreement.

The Original Shared Use Agreement between the Parties remains in effect. If there is a conflict between the Original Shared Use Agreement and this Ridgeland Common Field Agreement, the Ridgeland Common Field Agreement shall control, it being a supplement and amendment to the Original Shared Use Agreement.

II. Term, Termination.

A. Term. The term of the Ridgeland Common Field Agreement shall be from the Effective Date through June 30, 2048, unless earlier terminated as provided in this Agreement.

B. Termination. The Ridgeland Common Field Agreement may be terminated by written notice prior to July 31, 2048, if (i) the Park District decides to sell the Ridgeland Common Field; (ii) the Ridgeland Common Field Agreement is terminated by the School District in accordance with Section III.A; (iii) the Ridgeland Common Field turf requires replacement in accordance with Section IV.; (iv) the Parties cannot agree on a schedule of use under Section V.B.2; (v) the Park District does not agree to replacing the turf field in accordance with Section VI.G; or (vi) the Ridgeland Common Field Agreement is terminated upon the default of a Party under Section VIII.E. If this Agreement terminates prior to June 30, 2048, for any reason other than (i) the School District terminates this Agreement under Section III.A; (ii) the School District is in default under Section VIII.E of this Agreement or (iii) the turf requires replacement as determined under Section IV of this Agreement, the Park District shall reimburse the School District pursuant to the following calculation: the reimbursement shall be determined by dividing the Turf Costs, defined in Section III.A of this Agreement, by 120 and multiplying that amount by the number of months remaining from the date of termination until the 10 year anniversary of the first day that the School District has use of the turf field; provided, however, if the termination occurs after the replacement of the initial turf or subsequent turfs (the "Replacement Turf"), the reimbursement shall be determined by dividing the applicable Replacement Turf Project Costs for the Replacement Turf, defined in Section

III.A of this Agreement, by 120 and multiplying that amount by the number of months remaining from the date of termination until the 10 year anniversary after the first day that the School District has use of the Replacement Turf at Ridgeland Common Field.

III. Construction Costs and Management.

A. School District Payment. Except as explicitly set forth in this Agreement, the School District is solely responsible for all Project costs and expenses. The School District shall make all payments to the various vendors for all costs related to the Project, including all fees and costs for architectural and engineering services, construction, approved alterations, modifications and resulting change orders; provided that if the lowest responsible bid amount related to the Project exceeds \$_____, the School District may, in its sole discretion, terminate this Agreement by giving written notice to the Park District not later than 30 days after the bid opening. A rendering of the Project is attached to and incorporated in this Agreement as Exhibit B. Once the Project is completed and all Project costs are determined, the School District shall make an accounting of such Project costs and provide written notice to the Park District of such costs, which for purposes of this Agreement shall be considered the “Project Costs.” In said accounting, the School District shall clearly indicate the costs associated with the initial installation of the synthetic turf sports field (“Turf Costs”) and separate the Turf Costs from the total Project Costs. Turf Costs shall not include the costs of any netting, equipment or additional improvements made by the School District to Ridgeland Common Field beyond the cost of the actual installation of the turf field. The School District, in partnership with the Park District, shall make the same determination for the costs associated for any Replacement Turf

installed during the term of this Agreement (the “Replacement Turf Project Costs”).

B. Review of Plans. Upon receipt of the initial plans and specifications for the Project, the School District shall deliver such documents to the Park District for its review. If the Park District believes that the plans and specifications are not consistent with the scope of the Project and/or this Agreement, the Park District shall provide written notice to the School District of that concern within seven days after the Park District’s receipt of the plans and specifications. The School District shall consider the Park District’s comments and make any changes the School District, in its sole discretion, deems appropriate. The School District shall notify in writing the Park District of its decision within seven days after receipt of the Park District’s written notice. Thereafter, the Park District may terminate this Agreement within five days after receipt of the School District's written decision .

C. Contract Administration. The School District shall administer the Project contracts in good faith and, unless the School District fails to exercise good faith, the Park District shall not make any claims against the School District for such administration.

D. Change Orders. During the course of construction of the Project, certain alterations, modifications, and resulting change orders from the final plans and specifications may be required. The School District shall have sole discretion related to the approval or denial of change orders, but shall provide the Park District with written notice of a proposed change order and the date that the School District will act to approve the change order and the method by which the change order will be approved. Change orders shall be part of the Project Cost.

E. Applicability to Replacement Turfs. Sections III.A-D shall apply to any

Replacement Turfs installed during the term of this Agreement.

IV. Turf Replacement Costs.

The Parties acknowledge that the turf may need to be replaced within eight to 12 years after the Effective Date of this Agreement. If, during the term of this Agreement, one Party is of the opinion that the turf requires replacement, it shall notify the other Party in writing. Within 30 days after receipt of the written notice, the non-initiating Party shall notify the initiating Party of its assessment of the need for any turf replacement. If the Parties agree that the turf needs replacement, the Parties may mutually agree to terminate this Agreement, either Party may at its option elect to terminate this Agreement, or the School District shall replace the turf. If the non-initiating Party does not agree that the turf needs replacement, the Parties shall hire a recognized turf expert to examine the field and provide an opinion as to the need to replace the turf. The Parties shall share the costs of the turf expert equally. If the turf expert opines that the turf will not need replacement within 24 months after the date of the expert's report, this Agreement shall continue without replacement of the turf. If the turf expert opines that the turf will need replacement within 24 months after the date of the expert's report, the Parties may (i) mutually agree to terminate this Agreement; (ii) either Party may at its option elect to terminate this Agreement; or (iii) the School District shall replace the turf. If the Agreement is terminated pursuant to this Section, the Park District will have no reimbursement obligations under Section II.B. of this Agreement. Further, if the School District terminates this Agreement pursuant to this Section, the School District shall immediately stop all use of Ridgeland Common Field for any physical education or extracurricular activities and the School District shall no longer have any

rights or privileges to use Ridgeland Common Field going forward. All costs and expenses relating to the replacement of the turf shall be the sole responsibility of the School District. The School District will engage the Park District regarding the replacement synthetic surface and infill mix prior to awarding such contracts for any Replacement Turfs. This Section shall apply to any Replacement Turfs installed during the term of this Agreement.

V. Use of Ridgeland Common Field.

A. Park District Use. The Park District shall at all times be the sole owner of the Ridgeland Common Field. The Park District shall have the right to use the Ridgeland Common Field at any time except for periods reserved for use by the School District, as set forth in the Master Use Schedule, attached as Exhibit C.

B. School District Use.

1. Facility Use. In consideration of the School District paying all Project Costs, the Park School District shall allow the School District to use the Ridgeland Common Field during the times set forth in the “Master Use Schedule,” attached to this Agreement as Exhibit C. The School District shall also be entitled to reasonable modes of ingress and egress to and from the Ridgeland Common Field during those times for the limited purpose of gaining access to and enabling use of the Ridgeland Common Field, as contemplated by this Agreement.

2. Scheduling School District’s Use. Prior to January 1 of each year of this Agreement, designated representatives of each Party shall meet to complete the Master Use Schedule for the subsequent school year for approval by the Superintendent of the

School District and the Executive Director of the Park District, or their designees. The Master Use Schedule shall not require further approval by the Boards of either Party. The Park District shall not deny the School District's request for scheduled use of the Ridgeland Common Field during a given year, which is reasonable and substantially comparable (in terms of days and hours) to the School District's scheduled use for the prior year, without the written agreement of the School District. Subject to the foregoing limitation on the Park District's discretion, if the Parties cannot reach agreement regarding the Master Use Schedule for a given school year by January 1 of the prior school year, a Party may terminate this Agreement by providing written notice to the non-terminating Party by January 15 of that year and the Agreement shall terminate effective June 1 of that year, unless an earlier termination date is agreed to by the Parties in writing. If the Parties do not reach agreement on the Master Use Schedule due to the Park District's breach of its obligation under this Section V.B.2 to allow the School District reasonably comparable use of the Ridgeland Common Field as the prior year, the School District shall be entitled to a reimbursement per the calculation set forth in Section II.B of this Agreement.

3. School District Use of Park District Equipment. It is understood by and between the Parties that certain items of equipment provided by the Park District for its programs and stored by the Park District at the site, may, upon request of the School District, be utilized jointly for School District and Park District activities. The School District agrees to reimburse the Park District for direct cost of repair or replacement of

said equipment, except for reasonable wear and tear, if such equipment is damaged as a sole and direct result of the School District's use of the equipment. Any request for reimbursement by the Park District in this regard shall include a written detail of all damages sustained and cost incurred, including statements and/or bills for materials and services necessary to correct the damage.

4. Compliance with Policies, Ordinances, and Procedures. The School District and its staff, volunteers, participants, and spectators must strive to comply with all Park District rules, policies, and operating procedures relating to conduct and use of Ridgeland Common Field or of the Park District's facilities generally, except with the written consent of the Park District.

C. Non-Scheduled Use; Changes to Master Use Schedule. In the event that special needs to utilize the Ridgeland Common Field arise for either the School District or the Park District, either Party may request a modification of the Master Use Schedule by written notice of at least 30 days or such lesser time as shall be agreed to by the Superintendent of the School District and the Executive Director of the Park District, or their designees, and the other Party shall make its best effort to accommodate the other's special needs. Absent a written approval by the Superintendent of the School District and the Executive Director of the Park District, or their designees, no temporary change shall be considered approved. To avoid confusion, both the School District and the Park District agree to maintain the Master Use Schedule, which shall include all temporary changes in a convenient place easily accessible to both Parties and the public.

VI. General Use Provisions.

A. Maintenance of Ridgeland Common Field.

1. Park District Responsibilities. The Park District shall provide its usual and customary custodial services to the Ridgeland Common Field in accordance with the Park District's regularly scheduled working hours or at the discretion of the Park District.

2. Mutual Responsibilities. The Parties shall keep clean and in good order, condition, and repair the Ridgeland Common Field during their period of use. At the close of each instance of use, each Party shall leave the Ridgeland Common Field in substantially the same condition as at the outset of each instance of use, ordinary wear and tear excepted. It will be the responsibility of each Party to leave the Ridgeland Common Field in the same condition as it received it and to place all refuse in the refuse receptacles at the Ridgeland Common Field.

B. Keys and Alarm Codes. The Park District shall provide the School District with necessary keys and alarm codes to allow the School District access to the Ridgeland Common Field without the need of having a custodian or other Park District personnel present. The School District shall be responsible for securing the Ridgeland Common Field properly upon leaving.

C. No Improvements. The Park District shall not modify, alter, or place permanent fixtures or improvements in the Ridgeland Common Field in any way without the prior express written approval of the School District, which approval shall not be unreasonably withheld.

D. Supervision. Neither Party shall have any responsibility whatsoever for

supervising the other's programs, use of the Ridgeland Common Field, or supervising the other Party's employees, volunteers, participants, or agents. Each Party shall be solely responsible, at its own expense, for providing or requiring to be provided adequate adult supervision at all times in connection with its use of the Ridgeland Common Field. Neither Party shall be responsible in any way for employment of personnel to implement or supervise the other Party's programs at the Ridgeland Common Field. Each Party acknowledges and assumes complete responsibility as to the other Party for its staff or volunteers used to supervise its activities hereunder.

E. Representation of Programs. Each Party shall represent its programs as its own programs and at no time shall represent any sponsorship or other involvement by the other Party.

F. Required Waiver. For programs where either Party requires participants to sign a waiver, release, indemnity, or hold harmless form, the Party requiring the waiver, release, indemnity or hold harmless shall add the other Party, its Board members, officers and employees as additional beneficiaries under such form.

G. Untenantability. In the event the Ridgeland Common Field is damaged and rendered untenable by fire or other casualty during the term of this Agreement, the Parties agree to work in good faith to restore the Ridgeland Common Field to public use, making use of any insurance proceeds available. If insurance proceeds are not available, the Parties may, but shall be under no obligation to, restore the Ridgeland Common Field; provided that if restoration can reasonably be accomplished despite the damage and the School District is willing to restore the turf at Ridgeland Common Field at its sole cost, but the Park District terminates the Agreement, the Park District shall reimburse the School District in accordance with the

calculation set forth in Section II.B of this Agreement. The Park District shall obtain and at all times during the term of this Agreement maintain casualty insurance for the full replacement value of the Ridgeland Common Field.

VII. Insurance and Indemnification.

A. Insurance. Each Party, at its sole cost and expense, shall keep in full force and effect at all times during the term of this Agreement insurance against claims for injuries to persons or damages to property, which may arise from or in connection with this Agreement. Each Party shall provide coverage that is at least as broad as:

1. If either Party purchases insurance from an insurance company, each Party shall keep in force at all times during the term of this Agreement Commercial General Liability Insurance including fire, legal liability, bodily injury, personal injury and property damage limits of not less, but, in any event, no less than \$1,000,000.00 per occurrence and \$10,000,000.00 aggregate and an umbrella policy no less than \$1,000,000.00. Such insurance shall be evidenced by annually providing to the other Party copies of the policies and/or certificates of insurance, naming the other Party, its board, board members, officers, employees and agents as an additional insured and providing that the insurance may not be modified, terminated, cancelled, or non-renewed without at least thirty (30) days advance written notice by certified mail, return receipt requested, to the other Party. If either Party is self-insured, member of an intergovernmental pool, or provides for its risk financing by a means other than commercial insurance, that Party shall keep in force at all times during the term of this agreement, General Liability coverage including fire legal liability specifically including bodily injury, personal injury, and property damage limits of not less than , but, in

any event, no less than \$1,000,000.00 per occurrence and \$10,000,000.00 aggregate and an umbrella policy no less than \$1,000,000.00. Such insurance shall be evidenced by annually providing to the other Party copies of the policies and/or certificates of insurance, naming the other Party, its board, board members, officers, employees and agents as an additional insured and providing that the insurance may not be modified, terminated, cancelled or non-renewed without at least thirty (30) days advance written notice by certified mail, return receipt requested, to the other party.

2. Casualty insurance in the amount of the full replacement cost of the Party's property and betterments (including alterations or additions performed by a Party to its property), which insurance shall include an agreed amount endorsement waiving coinsurance limitations.

3. Each Party shall keep and maintain Workers' Compensation Insurance covering all costs, statutory benefits, and liabilities under State Workers' Compensation and similar laws for employees. Any employee claim related to this Agreement will be the responsibility of the Party employer and the other Party shall have no obligation whatsoever to provide workers' compensation for the other Party's employees.

B. Indemnification. The School District and the Park District each agree to mutually indemnify, defend, and hold harmless the other Party and its Board members, officers, employees, agents, and successors from all claims, causes of action, liability, damages, whether to person (including death) or property, costs (including reasonable attorneys' fees) and losses (collectively "Loss") where and to the extent the Loss arises out of the acts or omissions of the indemnifying Party.

C. No Waiver of Tort Immunity Defenses. Nothing contained in this Section VII or in any other provision of this Agreement, is intended to constitute nor shall constitute a waiver of the defenses available to the Parties under the Illinois Local Governmental and Governmental Employees Tort Immunity Act, with respect to claims by third parties.

VIII. Miscellaneous Provisions.

A. No Assignment. No Party may assign any rights or duties under this Agreement without the prior express written consent of the other Party.

B. Successors. This Agreement shall be binding upon the successors of the Parties' respective governing boards.

C. Relationship of the Parties; No Third-Party Beneficiaries. Nothing in this Agreement shall be construed to consider any Party or its respective employees, volunteers or agents as the agents or employees of any other Party. Nothing contained in or done pursuant to this Agreement shall be construed as creating a partnership, agency, joint employer, or joint venture relationship between the School District and the Park District. Notwithstanding any provision herein to the contrary, this Agreement is entered into solely for the benefit of the contracting Parties, and nothing in this Agreement is intended, either expressly or impliedly, to provide any right or benefit of any kind whatsoever to any person or entity who is not a party to this Agreement or to acknowledge, establish or impose any legal duty to any third party. No claim as a third-party beneficiary under this Agreement by any person, firm, or corporation shall be made or be valid against the School District or the Park District.

D. Entire Agreement. This Agreement, including Exhibits A, B and C, shall

constitute the entire agreement of the Parties with respect to the matters contained in this Agreement and this Agreement supersedes any and all prior agreements and understandings, whether written or oral, formal, or informal.

E. Default and Termination. If one Party believes the other to be in material default under this Agreement, the non-defaulting Party, acting through its chief administrator, shall notify the defaulting Party in writing and allow the defaulting Party 30 days from the date of receipt of notice to cure the default. If the default is not then cured, the non-defaulting Party may terminate the Agreement by serving written notice on the defaulting Party and termination of the Agreement shall take effect 30 days after receipt of the notice by the Party in default. If the Park District terminates the Agreement due to the School District's default, the School District shall not be entitled to any reimbursement of the Project Cost. If the School District terminates the Agreement due to the Park District's default, the Park District shall reimburse a pro rata share of the Project Cost calculated in accordance with Section II.B of this Agreement.

Any notice or communication required or permitted to be given under this Agreement shall be in writing and shall be delivered (i) personally, (ii) by a reputable overnight courier, (iii) by certified mail, return receipt requested, and deposited in the U.S. Mail, postage prepaid, or (iv) by facsimile.
