## **MINUTES**

**Park District of Oak Park (PDOP)  
Committee of the Whole Meeting  
John Hedges Administrative Center  
218 Madison Street  
Oak Park, Illinois 60302**

**Directly Following the Continued Regular Board Meeting from August 18, 2022  
Thursday, September 1, 2022**

**Minutes**

The meeting was called to order at 7:34pm.

**I. ROLL CALL**

**Present:** Commissioners Wick, Worley-Hood, and President Porreca.

**Absent:** Commissioners Lentz and Wollmuth.

**Park District Staff Present:** Jan Arnold, Executive Director; Mitch Bowlin, Director of Finance; Chris Lindgren, Superintendent of Parks & Planning; and Edith Rodriguez, Executive Assistant.

**II. PUBLIC COMMENTS** – None

**III. RECREATION AND FACILITY PROGRAM COMMITTEE** – None

**IV. PARK AND PLANNING COMMITTEE** – None

**V. ADMINISTRATION AND FINANCE COMMITTEE**

- A. Draft 2022 Tax Levy** – Executive Director Arnold and Mitch Bowlin reminded the Board that annually, the Board must approve a property tax levy ordinance and file it with the County no later than the last Tuesday in December. Staff plan to provide the budget for approval at the November 17<sup>th</sup>, Regular Board Meeting. The tax levy ordinance provides funds for next year’s operations. The Property Tax Extension Lamination Law (PTELL) limits the dollar amount of the tax levy increase to an amount no greater than the consumer price index (CPI) or 5%, whichever is less. The CPI for the 2022 tax year (which is payable in the calendar year of 2023) is determined by CPI releases from January 2021 through December 2021. The CPI for the 2021 calendar year was 7.5%. As the PTELL limits the tax levy increase to 5%, the limit will be capped at 5%. Cook County has not yet published the current tax extension. However, based on staff’s estimate the tax increase per \$100,000 of home value will be approximately \$7.14 per \$100,000 of home value. The Board discussed impacts to the Park District since the CPI is great than the levy and inflation continues to be a concern. **No action is needed by the Board on this item.**
- B. NRPA Update** – Executive Director Arnold reminded the Board that the NRPA Conference is coming up on September 19<sup>th</sup>. The Gold Medal Award ceremony will take place Tuesday (September 20<sup>th</sup>) in the morning, and there are plans to do a live feed of the ceremony for staff to watch. Staff and members of the Board will be attending the conference this year. Executive Director Arnold and President Porreca spent time together to review the sessions book and went

over exhibits that would be beneficial for the staff and the Board to attend during the conference. The Board is excited to see the different exhibits as the Board has attended the conference in the past and have enjoyed what has been offered. **No action is needed by the Board on this item.**

- C. Budget Meeting Update** – Executive Director Arnold updated the Board that staff have been meeting together to prepare for the upcoming budget meetings. The first meeting will be held on September 29<sup>th</sup> which will include corporate accounts, Conservatory, and Cheney/Pleasant Home. The second budget meeting will be held on October 13<sup>th</sup>, and will include recreation, marketing, special facilities, and customer service. **No action is needed by the Board on this item.**
- D. Elected Officials BBQ Update** – Executive Director Arnold updated the Board that the Elected Officials BBQ will take place on September 14<sup>th</sup> at Cheney Mansion, beginning at 5:30pm. Invitations have gone out to all of the board members, and it is expected to have 40 people in attendance including some of the state legislators. The order has been placed with Sweet Baby Rays which will be buffet style, and vegan options will also be provided. **No action is needed by the Board on this item.**
- E. D200/PDOP Field Collaboration IGA Discussion** – Executive Director Arnold reminded the Board that in April, a Memorandum of Understanding (MOU) was agreed upon between PDOP and the School District 200 (D200) on the collaborative improvement and use of playing/sports fields at Ridgeland Common (RC). A joint meeting between PDOP and D200 was held in June to discuss the potential sharing and community benefit. After conversations and meetings with the Village of Oak Park’s Plan Commission, and a community meeting with D200, staff submitted an IGA for the Park Board’s consideration. The IGA includes the installation of two scoreboards, security cameras, additional netting, and replacement of the multi-use all weather synthetic turf fields at RC, which will all be funded by D200. The improvements will support D200’s physical education program, as well as for PDOP, to continue providing programming to youth at the RC. PDOP will also have access to both D200’s new baseball field, as well as its new synthetic field for program needs, with a 25-year agreement that has been reviewed by legal counsel. The Village of Oak Park Board is scheduled to approve the revised lighting ordinance at their meeting on Tuesday, September 6<sup>th</sup> as well. Pending this approval, staff recommend moving forward with the IGA. The Board had questions on the netting and its installation. **This item will be brought before the Board on the regular agenda at the September Regular Board Meeting.**
- F. Park District Citizen Committee Application** – Executive Director Arnold reminded the Board that the Park District Citizen Committee (PDCC) was established in the Fall of 2003 to oversee the development of the Comprehensive Master Plan. The Mission and Guiding Principles of the PDCC state that the committee should include 13 members however, there are currently only ten members in the committee. Andrew France has expressed interest in joining the PDCC. Andrew has lived in Oak Park for over 20 years and is a daily user of the parks. Andrew has also been a youth sports coach, adult sports participant, and dog owner. Andrew also attended the PCDD meeting in August, and expressed his desire to join the committee. The Board noted that Andrew and his kids have been very engaged in the community by joining sports and programs. **This item will be brought before the Board on the regular agenda at the September Regular Board Meeting.**

**III. PUBLIC HEARING – STATUTORY BUDGET AND APPROPRIATION AMENDMENT**

- **Statutory Budget & Appropriation** – Executive Director Arnold noted that a public hearing is required to be held prior to the approval of the Budget & Appropriation. A notice was published at the Wednesday Journal on August 24, 2022. Executive Director Arnold reminded the Board that during the course of the regular construction meetings for the Community Recreation Center, staff received completion forecasts from Bulley & Andrews that showed higher than anticipated levels of billing through the end of the fiscal year in 2022. It was noted that this was strictly a timing issue with the District’s fiscal year, and that the project is not expected to run over budget. Staff have also evaluated the projections against the District’s own cash forecast, and do not anticipate any adverse effects to the District’s cash position based on the budget amendment. The updated capital project budget will be reflected in the 2023-2027 Capital Improvement Plan, and will be incorporated accordingly in the 2023 Budget. As such, staff recommend the approval of the Budget & Appropriation Amendment Ordinance 2022-07-01.

**C. Administration and Finance Committee**

1. Approval of D200/PDO Field Collaboration IGA: Executive Director Arnold reminded the Board that the School District 200 (D200) and PDOP have a comprehensive Intergovernmental Agreement (IGA) for the use of fields, gymnasiums and other indoor spaces. D200 access to the Concordia track will end in December 2023, thus there is a need to identify a location to construct a new track. As such, there is interest in evaluating the potential for PDOP allowing D200 additional access to RCRC fields. In addition, there is a need for expanded field lights on the Lake/East field until 10pm to make the field sharing possible. Executive Director Arnold noted that the Village Board approved the lighting on their last meeting. The installation is planned to take four to five weeks, in which on October 16<sup>th</sup>, it is planned to look at the property for the start of the construction. A motion was made by Commissioner Wick, and seconded by Commissioner Lentz to approve the IGA between D200 and PDOP for the shared field opportunities at Ridgeland Common to support the construction of a D200 track on their property. **The motion was passed by a roll call vote of 5:0.**

## **VII. NEW BUSINESS**

- A. Personnel Policy Change:** Executive Director Arnold noted that staff are in the process of reviewing their personnel policy and having conversations with other agencies on ways to update the policy to benefit staff, especially due to the tight hiring market and the desire to retain staff. Policy changes include the recommendation of adding 1 ½ personal days and changing access to when personal time off is available to new hires; as well as changing the amount of vacation time a staff member is awarded based on years of service. Board members had a discussion on the policy change and the potential advantages and disadvantage of this change. **This item will be brought before the Board on the regular agenda at the November Regular Board Meeting.**

## **VIII. COMMISSIONERS' COMMENTS**

5. **CRC Tribute Pavers** – The Park Foundation has done a tremendous job to fundraise for the Community Recreation Center (CRC) and reached the 75% goal in September of 2021. Now that their campaign has gone public and the CRC has moved forward in the building process with a target date of March 2023, for completion, the Foundation is selling tribute pavers that will be placed at the entrance of the CRC. On July 6<sup>th</sup>, the first order was placed for pavers that will be installed in early October. Additional pavers can be added going forward. Currently 127 pavers totaling \$70,000 have been ordered.
  
6. **228-230 Madison Parking Lot** –The Park District went out to bid on June 27<sup>th</sup> and received six bids on July 13<sup>th</sup>. The number received from the bids were twice of the amount budgeted which is a direct reflection of the rapid rising costs in the construction industry. As such, the Park District has decided to rebid in November/December for work in Spring 2023.

Re: September 2022 Revenue Expense Report

---

## Statement

Attached with this memo are the Revenue and Expense summary charts and reports. The 2022 Budget vs Actual chart shows total year-to-date (YTD) operating revenues, expenses, and net income compared to the YTD Budget. The Month Actual - 3 Year Comparison chart compares the month's actuals against the prior two-year monthly actuals for 2020, and 2021.

Operating revenue remains at 19% under budget YTD primarily due to the second installment property tax bills not yet being delivered by Cook County. Excluding tax receipts, the remainder of the operating revenue lines are averaging 12% over YTD Budget. The County will be approximately 4 months late sending out 2022 second installment bills, so the District anticipates FY2022 tax collections to still be on par with budget expectations but delivered later than anticipated. Staff have done multiple cash flow projections and are confident the District will remain solvent despite the delay. Fees and Charges, Intergovernmental Revenue, and Program Revenue are all performing exceptionally strongly this year. Intergovernmental revenue is higher than budgeted due to Personal Property Replacement Taxes (PPRT) receipts surpassing the YTD budget. Fees and Charges and Program Revenue standouts are described below in the highlights.

Expenses are below budget in all categories. The District amended its 2022 budget in August to reflect the faster than anticipated progress on the CRC. That amendment has been filed with the county, and is reflected in these financial statements.

The September Revenue Expense Reports highlights include:

- The following departments and programs have performed better than budget through September:
  - Recreation: Advertisements and Sponsorships, Martial Arts, Youth Sports Clinics, Adult Sports, Active Adults, Special Interest, Performing Arts
  - Aquatics: Pool Passes, Daily Swim Fees
  - Rink: Rat Time Hockey, Skating Passes, Daily Rink Fees, Rink Passes, Youth Hockey, Learn to Skate, Adult Hockey, Rink Special Events, and Rink Camp
  - Gymnastics: Playtime Daily Fees and Passes, Open Gym, Recreational gymnastics, Gymnastic Fundraising, Preschool gymnastics
- Health Insurance expense actuals are lower than budgeted due to vacant full-time roles being budgeted with the highest cost health insurance.

**MEMO**  
*2022-2024 Audit Engagement Letter*

# Memo

Re: 2022-2024 Audit Engagement Letter

---

## Statement

The Park District of Oak Park has used Lauterbach and Amen (L&A) as the auditor for the District's financial statements for fiscal years 2016-2021. In addition to auditing services, L&A provides actuary services as required for the pension and post-employment benefits portion of the audit, fixed asset services, and free training for PDOP staff.

## Discussion

The contract extension will cover auditing the District's financial statements for fiscal years 2022-2024. The agreement will renew automatically in that time period unless the District notifies the audit partner in writing that we will be terminating our relationship with them.

Based on those experiences and their work with many other governments, specifically other park districts, we are comfortable with their quality of work and they assured the District that they would be able to continue scheduling the audit in a time frame that would allow us to meet all required deadlines. Staff feel like they have done a good job of balancing the due diligence required to do a thorough audit as well as working with staff to make the process efficient.

The new contract has the price increasing by \$600 for the 2022 audit and then \$500 increases in years 2023, and 2024. The full cost of the three-year contract is \$56,700,

## Conclusion

The Administration and Finance Committee recommends approval of Lauterbach and Amen's proposal for auditing services for the years 2022-2024, in an amount not to exceed \$56,700.

September 20, 2022

Members of the Board of Commissioners  
Park District of Oak Park, Illinois

We are pleased to confirm our understanding of the services we are to provide the Park District of Oak Park, Illinois for the years ended December 31, 2022, December 31, 2023, and December 31, 2024.

*Audit Scope and Objectives*

We will audit the financial statements of the governmental activities, the business-type activities, the discreetly presented component unit, each major fund, and the aggregate remaining fund information, and the disclosures, which collectively comprise the basic financial statements of the District as of and for the years ended December 31, 2022, December 31, 2023, and December 31, 2024. Accounting standards generally accepted in the United States of America (GAAS) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the District's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the District's RSI in accordance with GAAS. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. generally accepted accounting principles (GAAP) and will be subjected to certain limited procedures, but will not be audited: management's discussion and analysis, the budgetary comparison schedules, and GASB-required pension and other postemployment benefit (OPEB) reporting.

We have also been engaged to report on supplementary information other than RSI that accompanies the District's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements: combining and individual fund statements and budgetary comparison schedules, and other information listed as supplemental schedules.

In connection with our audit of the basic financial statements, we will read the following other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report: introductory and statistical information.

*Audit Scope and Objectives – Continued*

The objectives of our audit are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP; and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

*Auditor's Responsibilities for the Audit of the Financial Statements*

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the District or to acts by management or employees acting on behalf of the District.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

*Auditor's Responsibilities for the Audit of the Financial Statements – Continued*

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected customers, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

*Audit Procedures – Internal Control*

We will obtain an understanding of the District and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards.

We have identified the following significant risk(s) of material misstatement as part of our audit planning: management override of controls, improper revenue recognition, and general or local economic challenges. Planning for this engagement has not concluded and is subject to change.

*Audit Procedures – Compliance*

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

*Other Services*

We will also assist in preparing the financial statements and required audit adjustments, if any, for the District in conformity with accounting principles generally accepted in the United States of America based on information provided by you. We will perform these services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgement, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

*Responsibilities of Management for the Financial Statements*

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America.

Management is responsible for making drafts of financial statements, all financial records and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws and regulations.

You are responsible for the preparation of the supplementary information in conformity with accounting principles generally accepted in the United States of America. You agree to include our report on, the supplementary information in any document that contains, and indicates that we have reported on the supplementary information. You also agree to make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

*Responsibilities of Management for the Financial Statements - Continued*

You agree to assume all management responsibilities for the financial statement preparation services and any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

*Engagement Administration, Fees, and Other*

Our fees for the December 31, 2022, December 31, 2023, and December 31, 2024 audits will be \$18,400, \$18,900, and \$19,400, respectively.

The District agrees that during the term of this agreement and for a period of twelve months thereafter, the District shall not solicit, or arrange an employment contract with personnel of Lauterbach & Amen, LLP. Violation of this provision shall, in addition to other relief, require the District to compensate Lauterbach & Amen, LLP with one hundred percent of the solicited person's annual compensation.

*Reporting*

We will issue a written report upon completion of our audit of the District's financial statements. We will make reference to the other audit of component unit in our report on your financial statements. Our report will be addressed to the Board of Commissioners of the District. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or withdraw from this engagement.

We appreciate the opportunity to be of service to the Park District of Oak Park, Illinois and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign below and return it to us.

Cordially,

*Community Solar Contract*

# Memo

To: David Wick, Chair, Administration and Finance Committee  
Board of Park Commissioners

From: Mitch Bowlin, Director of Finance

CC: Jan Arnold, Executive Director

Date: October 14, 2022

Re: Community Solar Contract

---

## Statement

The Park District of Oak Park is currently looking to move the remainder of its available electric load to a community solar program.

## Discussion

The Park District decreased electric usage from ComEd by 22% from 2016 to 2019, via supplying power through solar panels at various facilities and other green initiatives. In 2021 the District signed an electric supply contract with Clearway Energy to supply 15% of the electric load via a solar farm in Illinois. The District is now looking to sign a similar contract for 31% of the electric load.

Community solar supply contracts are essentially a subscription contract to purchase a given amount of electricity over a period of 15 years. The solar farms supplying this energy are within the local ComEd service area and these contracts are supporting newly installed solar farms. There is flexibility to reallocate usage among facilities, so, if the District installs solar panels at another facility and the demand decreases at a specific location, we can use that power elsewhere. The District intends to bring more facilities onto this type of contract in the future as there is currently very little risk and downside to the Park District for this type of contract and there will be a cost savings.

Nexamp was the only company that responded with a solar farm that was in the process of coming online. The electric supply will become available in November 2023. The supply contract will be for 15 years with flexibility to shift the electric load as needed. This means that we are free to add solar panels to any facility, and the energy from the solar farm can be provided to a different location at no cost to the District. The contract also includes a 15% discount over the default rate, which equates to a projected savings of \$174,380 over the life of the contract.

## Conclusion

The Administration and Finance Committee recommend the Board approve a contract for community solar electric supply and authorize Executive Director Jan Arnold to sign the contract for the District at the October Regular Board Meeting.

### **ARTICLE IV CONDITIONS PRECEDENT; REGULATORY CHANGE**

4.1 Conditions Precedent. Seller's obligations under this Agreement are subject to the Facility's connection to the Utility pursuant to any laws, regulations or tariffs qualifying the Facility to generate Credits. Buyer agrees that it will, in good faith, execute any reasonably requested documentation required by any Governmental Authority, or the Utility, including the Illinois Shines Community Solar Standard Disclosure Form or the Illinois Solar For All Community Solar Standard Disclosure Form, if applicable. If the Facility does not so qualify, then Seller may, but shall not be obligated to, terminate this Agreement by delivering notice to the Buyer. If this Agreement is terminated pursuant to this Section 4.1, the termination shall be effective as of the delivery of such notice without further liability of the Parties to each other, provided that the Parties shall not be released from any payment or other obligations arising under this Agreement prior to the delivery of the notice and Section 11.1 (Disputes) shall continue to apply notwithstanding such termination.

4.2 Obligation to Modify Agreement Pursuant to Actions by Governmental Authority. Upon a {00128024.1}

Governmental Authority order, decision, or regulation implementation, or upon the administration or interpretation thereof by the Illinois Commerce Commission, the Utility, or any other Governmental Authority that (i) materially restricts Seller's ability to deliver Credits to Buyer or to fulfill its other obligations under this Agreement, (ii) materially restricts Buyer's ability to receive Credits, or (iii) disallows the Facility's qualification under laws, regulations or tariffs qualifying the Facility to generate Credits, as appropriate, the Parties shall negotiate in good faith to amend this Agreement to conform to such rule(s) and/or regulation(s) to the greatest extent possible, and shall use commercially reasonable efforts to conform such amendment to restore the economic benefit to each Party and to do so in a timely fashion. If the Parties, negotiating in good faith, cannot agree concerning conforming to such actions, then either Party may terminate this Agreement. Notwithstanding anything to the contrary in this Agreement, the imposition of any non-bypassable charge(s) and/or utility rate designed to recover additional costs due to Buyer's purchase or receipt of the Credits, shall not trigger the obligation to amend this Agreement under this Section 4.2.

## **ARTICLE V PURCHASE AND SALE OF CREDITS; GOVERNMENTAL CHARGES**

5.1 Sale and Purchase of Credits. Beginning on the Commercial Operations Date and continuing throughout the Term, Seller agrees to sell to Buyer, and Buyer agrees to accept from Seller and to pay the Price to Seller for the Quantity of Credits associated with the Energy, as determined by the Meter. Price is stated on Exhibit A, attached hereto and incorporated herein.

5.2 Delivery; Indemnification. Seller shall, in its sole discretion, direct the Utility to deliver the Credits to Buyer under the State Program.

- (a) To deliver the Credits to Buyer, Seller shall direct the Utility to allocate the Credits purchased by Buyer under this Agreement to Buyer's Utility Account(s) (as determined by a process established by the Utility pursuant to the Tariff or other similar rules adopted by the Utility).
- (b) Buyer understands that the Credits delivered to Buyer in any particular month will be reflected on Buyer's Utility Statement as a monetary credit amount and not as an electricity quantity; and that such credit will be reflected on the Utility Statement according to the Utility's billing cycle, which may be up to approximately two (2) months after the Facility generates the Energy associated with the Credits.

{00128024.1}

- (c) Buyer acknowledges that Seller is relying on commitments made by Buyer under this Agreement for the Facility to receive and maintain qualification as a Community Solar Project. Buyer agrees that it shall not take any action that would cause the Facility not to be qualified as a Community Solar Project and shall cooperate with Seller to assure the Facility's continued qualification.
- (d) Seller will attempt to correct any Utility allocation error and Buyer agrees to cooperate in a timely manner as needed.

### 5.3 Governmental Charges.

- (a) Seller is responsible for any Governmental Charges attributable to the sale of Credits hereunder, whether imposed before, upon or after the allocation and delivery of Credits to Buyer.
- (b) The Parties shall use commercially reasonable efforts to administer this Agreement and implement its provisions to minimize Governmental Charges. If any Credits sales are exempted from or not subject to one or more Governmental Charges, the relevant Party shall, promptly upon the other Party's written request, provide the other Party with all necessary documentation to evidence the exemption or exclusion.

### 5.4 Contract Adjustments.

- (a) If the Seller determines in its sole discretion that it's beneficial to submit a revised Exhibit A and B designating a new Facility, then Seller may submit a revised Exhibit A and B designating a new Facility and this Agreement shall be modified to account for the revisions, provided that the alternate Facility (i) is located within the same Utility service territory, (ii) has a Commercial Operations Date that is not substantially later than is anticipated for the original Facility (iii) satisfies the program qualification requirements, and (iv) does not materially change the estimated Quantity to be delivered to the Buyer.
- (b) Buyer may request in writing an update to the Utility Accounts, and upon consent by Seller (such consent not to be unreasonably withheld, conditioned or delayed), such updated Utility Accounts shall automatically become effective ninety (90) days after Seller's consent. Buyer represents that all Utility Accounts are for subsidiaries or Affiliates of Buyer for which Buyer is duly authorized to execute on behalf of. Notwithstanding the above, any requested amendments must be to Utility Accounts within the same [utility area / load zone] and the aggregate Purchase Percentage shall not be adjusted. Buyer further acknowledges that all invoices and payments for Credits with respect to allocations made to Utility accounts prior to the effective date of any updated Utility Account list shall not be affected by any such update or amendment.

## **ARTICLE VI PAYMENT**

{00128024.1}

## 6.1 Payment.

- (a) Beginning with the first Billing Period that Seller delivers Energy to the Utility, Seller shall provide an invoice to Buyer (the “***Invoice***”) for the amount due based on the Price multiplied by the Quantity.
- (b) Buyer shall remit payment of the full amount of each Invoice to Seller or its designee by electronic funds transfer (or other means agreeable to Seller) to the account designated by Seller within thirty (30) days following Buyer’s receipt of each Invoice. If Buyer does not pay an Invoice within thirty (30) days of receiving the Invoice, the amount due on the Invoice shall bear interest, as allowed by law, from the date on which the payment was due, through and including the date Seller receives the payment. The annual interest accrual rate is the Interest Rate.
- (c) Before the Commercial Operations Date, Buyer shall take all actions necessary to allow Seller to electronically access, for the Term, the Utility Statement(s) and account information solely for purposes of fulfilling Seller’s obligations under this Agreement.
- (d) The Parties shall resolve Invoice disputes according to Section 6.3 (Invoice Disputes).

## 6.2 Records and Audits.

- (a) Seller shall maintain accurate operating records in order to properly administer this Agreement.
- (b) Each Party shall keep, for a period of not less than two (2) years after the expiration or termination of any transaction, records sufficient to permit the other Party to verify the accuracy of billing statements, invoices, charges, computations and payments for the transaction. During these periods each Party may, at its sole cost and expense, and upon reasonable notice to the other Party, examine the other Party’s records regarding the transactions during the other Party’s normal business hours.

## 6.3 Invoice Disputes; Invoice Discrepancies.

- (a) If a Party, in good faith, disputes an Invoice, including disputes under Section 6.3(b), the disputing Party shall promptly notify the other Party of the basis for the dispute and Buyer shall pay the undisputed portion of the Invoice no later than the due date. Any required payment shall be made within seven (7) Business Days of resolving the dispute. Any overpayments shall be returned by the receiving Party promptly following the request or, deducted from subsequent payments with interest accrued at the Interest Rate, at the option of the overpaying Party. The Parties may only dispute amounts owed or paid within twelve (12) calendar months from the Invoice date. If the Parties are unable to resolve an Invoice dispute under this Section, the Parties shall follow the procedure set forth in Article 11 (regarding dispute resolution).

- (b) If the Parties determines that the value of Credits reflected on an Invoice is different

{00128024.1}

than the value of Credits allocated to Buyer's Utility Account(s), and that the discrepancy is due to an issue related to the Meter, Seller shall use commercially reasonable efforts to resolve the issue with the Utility. If the discrepancy is due to an accounting or administrative error by the Utility, Buyer, as the Utility Account holder, and with Seller's cooperation, shall resolve the discrepancy with the Utility.

## **ARTICLE VII REPRESENTATIONS, WARRANTIES, COVENANTS**

7.1 Each Party represents and warrants to the other Party as follows.

- (a) The Party is duly organized, validly existing, and in good standing under the laws of the state in which the Party is organized and is authorized to conduct business in the State of Illinois.
- (b) The Party has full legal capacity to enter into and perform this Agreement.
- (c) The execution of the Agreement has been duly authorized, and each person executing the Agreement on behalf of the Party has full authority to do so and to fully bind the Party.
- (d) It shall perform its obligations under this Agreement in material compliance with Applicable Law.

7.2 The Parties acknowledge and agree that this Agreement and the transactions contemplated hereunder are a "forward contract" within the meaning of the United States Bankruptcy Code, and that Seller is a "forward merchant" within the meaning of the United States Bankruptcy Code. The Parties further acknowledge and agree that, for purposes of this Agreement, Seller is not a "utility" as such term is used in Section 366 of the United States Bankruptcy Code, and Buyer agrees to waive and not to assert the applicability of the provisions of Section 366 in any bankruptcy proceeding wherein Buyer is a debtor.

7.3 To the extent the financial statements are not publicly available, or if Buyer's credit rating is withdrawn or greater than two years old, Buyer shall provide to Seller, on or prior to the Effective Date and annually thereafter, a copy of the most recent year's financial statements for Buyer. If, at any time, the Buyer or its Affiliates contract for more than ten (10) MW (DC) aggregate energy generated by any of Seller or its Affiliate's solar energy (PV) facilities, and the investment grade rating of the Buyer does not meet or falls below Standard & Poor's BBB- or Moody's Baa3 or Fitch's BBB ("Investment Grade"), then Seller may terminate this Agreement or require that the Buyer provide credit support from an Investment Grade counterparty in a form acceptable to Seller.

## **ARTICLE VIII TERMINATION; DEFAULT**

8.1 Events of Default. The following shall each constitute an Event of Default by a Party.

{00128024.1}

- (a) The Party fails to make any material payment due under this Agreement within thirty (30) days after such payment is due unless the specific amount of the payment not made is being disputed.
- (b) The Party fails to perform or comply with any material covenant or agreement set forth in this Agreement and such failure continues for a period of thirty (30) days after receipt of written notice thereof from the other Party; provided, however, if the defaulting Party proceeds with due diligence during such thirty (30) day period to cure such breach and is unable by reason of the nature of the work involved using commercially reasonable efforts to cure the same within the said thirty (30) days, the defaulting Party's time to do so shall be extended by the time reasonably necessary to cure the same, such period not to exceed an additional ninety (90) days.
- (c) Fraud or intentional misrepresentation by the Party with respect to any of the covenants or agreements of this Agreement.
- (d) The Party:
  - i. is dissolved (other than pursuant to a consolidation, amalgamation or merger);
  - ii. makes a general assignment, arrangement or composition with or for the benefit of its creditors; or
  - iii. (A) applies for or consents to the appointment, or the taking of possession by, a receiver, custodian, trustee or liquidator of itself or a substantial portion of its property; (B) admits in writing its inability, or is generally unable, to pay its debts as such debts become due; (C) commences a voluntary case under any bankruptcy law; (D) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding up, or composition or readjustment of debts; (E) acquiesces in, or fails to contest in a timely manner, any petition filed against it in an involuntary case under bankruptcy law or seeking to dissolve it under other applicable law; or (F) takes any action authorizing its dissolution.

8.2 Force Majeure. Except as specifically provided herein, if by reason of *Force Majeure*, either Party is unable to carry out, either in whole or in part, any of its obligations herein contained, such Party shall not be deemed to be in default during the continuation of such inability, provided that: (i) the non-performing Party, within a reasonable time after the occurrence of the *Force Majeure* event, gives the other Party hereto written notice describing the particulars of the occurrence and the anticipated period of delay; (ii) the suspension of performance be of no greater scope and of no longer duration than is required by the *Force Majeure* event; (iii) no obligations of the Party which were to be performed prior to the occurrence causing the suspension of performance shall be excused as a result of the occurrence; and (iv) the non-performing Party shall use commercially reasonable efforts to remedy with all reasonable dispatch the cause or causes preventing it from carrying out its obligations.

### 8.3 Termination for Default.

{00128024.1}

- (a) Upon the occurrence of an Event of Default, the non-defaulting Party at any time thereafter may give written notice to the defaulting Party specifying such Event of Default and such notice may state that this Agreement and the Term shall expire and terminate on a date specified in such notice, subject to the rights to cure of Section 8.1 and Section 10.2(a)(iii)(A), and upon any termination date specified in such notice, this Agreement shall terminate as though such date were the date originally set forth herein for the termination hereof.
- (b) If this Agreement is terminated due to an Event of Default, Seller shall have no further obligation to deliver, and Buyer shall have no further obligation to purchase, Credits generated after that termination date.

**ARTICLE IX  
REMEDIES; LIMITATION OF LIABILITY; WAIVER**

9.1 Remedies. Subject to the limitations set forth in this Agreement, upon an Event of Default by Buyer, Seller may sell Credits produced by the Facility to persons other than Buyer, and recover from Buyer any loss in revenues including as a result from such sales; and/or pursue other remedies available at law or in equity. Buyer and Seller each reserve and shall have all rights and remedies available to it at law or in equity with respect to the performance or non-performance of the other Party hereto under this Agreement. Each Party shall take commercially reasonable actions available to it to mitigate damages it may incur as a result of the other Party's non-performance under this Agreement.

9.2 Limitation of Liability. NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY PUNITIVE DAMAGES OF ANY CHARACTER, RESULTING FROM, ARISING OUT OF, IN CONNECTION WITH OR IN ANY WAY INCIDENT TO ANY ACT OR OMISSION OF EITHER PARTY RELATED TO THE PROVISIONS OF THIS AGREEMENT, IRRESPECTIVE OF WHETHER CLAIMS OR ACTIONS FOR SUCH DAMAGES ARE BASED UPON CONTRACT, WARRANTY, NEGLIGENCE (EXCEPT GROSS NEGLIGENCE), STRICT LIABILITY OR ANY OTHER THEORY AT LAW OR EQUITY.

9.3 Waivers.

- (a) No Implied Waivers – Remedies Cumulative. No covenant or agreement under this Agreement shall be deemed to have been waived by Seller or Buyer unless the waiver is in writing and signed by the Party against whom it is to be enforced or such Party's agent. A Party's consent or approval to any act or matter must be in writing, shall apply only with respect to the particular act or matter in which such consent or approval is given, and shall not relieve the other Party from the obligation wherever required under this Agreement to obtain consent or approval for any other act or matter. A Party's failure to insist upon the strict performance of any one of the covenants or agreements of this Agreement or to exercise any right, remedy or election herein contained or permitted by law shall not constitute or be construed as a waiver or relinquishment for the future of such covenant or agreement, right, remedy

{00128024.1}

or election, but the same shall continue and remain in full force and effect. Any Party's right or remedy specified herein or any other right or remedy a Party may have at law, in equity or otherwise upon breach of any covenant or agreement herein contained shall be a distinct, separate and cumulative right or remedy and no one of them, whether exercised or not, shall be deemed to be in exclusion of any other.

- (b) Acceptance of Payment. Neither receipt nor acceptance by Seller or Buyer of any payment due herein, nor payment of same by Buyer or Seller, shall be deemed to be a waiver of any default under the covenants or agreements of this Agreement, or of any right or defense that Seller or Buyer may be entitled to exercise hereunder.

## **ARTICLE X ASSIGNMENT**

10.1 Prior Written Consent. Neither Party may assign, sell, transfer or in any other way convey its rights, duties or obligations under this Agreement, either in whole or in part, without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed, except that without consent of Buyer, Seller (i) may assign its rights and obligations hereunder to an Affiliate of Seller and (ii) may sell or collaterally assign this Agreement in accordance with Section 10.2. For purposes of this Section 10.1, transfer does not include any sale of all or substantially all of the assets of Seller or Buyer or any merger of Seller or Buyer with another person, whether or not Seller or Buyer is the surviving entity from such merger, or any other change in control of Seller or Buyer, provided any such surviving entity assumes all obligations of Seller or Buyer, as appropriate, under this Agreement; provided however, with respect to Buyer, such surviving entity is acceptable to Lender in its sole discretion.

### 10.2 Collateral Assignment; Financing Provisions:

- (a) Financing Arrangements. Seller may mortgage, pledge, grant security interests, assign, or otherwise encumber its interests in this Agreement to a Lender. Buyer acknowledges that in connection with such transactions Seller may secure Seller's obligations by, among other collateral, an assignment of this Agreement and a first security interest in the Facility. In order to facilitate such necessary sale, conveyance, or financing, and with respect to any Lender, Buyer agrees as follows:

- (i) Consent to Collateral Assignment. Buyer hereby consents to both of the sale of the Facility to a Lender and the collateral assignment of the Seller's right, title and interest in and to this Agreement as security for financing associated with the Facility.

- (ii) Rights of Lender. Notwithstanding any contrary term of this Agreement:

(A) Step-In Rights. The Lender, as owner of the Facility, or as collateral assignee of this Agreement, shall be entitled to exercise, in the place and stead of Seller, any and all rights and remedies of Seller under this Agreement in accordance with the terms of this Agreement. The Lender shall also be entitled

{00128024.1}

to exercise all rights and remedies of owners or secured parties, respectively, generally with respect to this Agreement and the Facility;

(B) Opportunity to Cure Default. The Lender shall have the right, but not the obligation, to pay all sums due under this Agreement and to perform any other act, duty or obligation required of Seller thereunder or cause to be cured any default of Seller thereunder in the time and manner provided by the terms of this Agreement. Nothing herein requires the Lender to cure any default of Seller under this Agreement or (unless the Lender has succeeded to Seller's interests under this Agreement) to perform any act, duty or obligation of Seller under this Agreement, but Buyer hereby gives it the option to do so;

(C) Exercise of Remedies. Upon the exercise of remedies, including any sale of the Facility by the Lender, whether by judicial proceeding or under any power of sale contained therein, or any conveyance from Seller to the Lender (or any assignee of the Lender as defined below) in lieu thereof, the Lender shall give notice to Buyer of the transferee or assignee of this Agreement. Any such exercise of remedies shall not constitute a default under this Agreement;

(D) Cure of Bankruptcy Rejection. Upon any rejection or other termination of this Agreement pursuant to any process undertaken with respect to Seller under the United States Bankruptcy Code, at the request of Lender made within ninety (90) days of such termination or rejection, Buyer shall enter into a new agreement with Lender or its assignee having substantially the same terms and conditions as this Agreement.

(iii) Right to Cure.

(A) Cure Period. Buyer will not exercise any right to terminate or suspend this Agreement unless it shall have given the Lender prior written notice of its intent to terminate or suspend this Agreement, as required by this Agreement, specifying the condition giving rise to such right, and the Lender shall not have caused to be cured the condition giving rise to the right of termination or suspension within thirty (30) days after such notice or (if longer) the periods provided for in this Agreement; provided that if such Seller default reasonably cannot be cured by the Lender within such period and the Lender commences and continuously pursues cure of such default within such period, such period for cure will be extended for a reasonable period of time under the circumstances, such period not to exceed an additional ninety (90) days. The Parties' respective obligations will otherwise remain in effect during any cure period.

(B) Continuation of Agreement. If the Lender or its assignee (including any purchaser or transferee), pursuant to an exercise of remedies by the Lender, shall acquire title to or control of Seller's assets and shall, within the time periods described in Section 10.2(a)(iii)(A), cure all defaults under this Agreement existing as of the date of such change in title or control in the manner required by

{00128024.1}

this Agreement and which are capable of cure by a third person or entity, then such person shall no longer be in default under this Agreement, and this Agreement shall continue in full force and effect.

- (b) Lender a Third-Party Beneficiary. Buyer agrees and acknowledges that Lender is a third-party beneficiary of the provisions of this Section 10.2.
- (c) Entry to Consent to Assignment. Buyer agrees to (i) execute any consents to assignment or acknowledgements and (ii) provide such opinions of counsel as may be reasonably requested by Seller and/or Lender in connection with such financing or sale of the Facility.

10.3 Obligation to Modify Agreement. If a Lender or the Seller requires this Agreement to be modified to finance, develop or operate the Facility, and the modification does not (i) materially restrict Seller's ability to deliver Credits to Buyer, (ii) materially restrict Buyer's ability to receive Credits, (iii) materially diminish the Credit value to Buyer, or (iv) disallow the Facility's community solar qualification under Applicable Laws and regulations or eligibility as a Community Solar Project, the Parties shall negotiate in good faith to amend this Agreement in a timely fashion. If the Parties, negotiating in good faith, cannot agree on the amendments, Seller may terminate this Agreement, or, if Seller determines in good faith that the Agreement cannot be amended to allow the Facility to be financed, developed or operated in a commercially reasonable manner, then Seller may terminate the Agreement. The terminating Party shall give the other Party thirty (30) days prior written notice and this Agreement shall terminate without further liability of the Parties to each other, provided that the Parties shall not be released from any obligation arising under this Agreement prior to such termination.

## **ARTICLE XI DISPUTE RESOLUTION**

11.1 Dispute Resolution. The Parties agree to use their respective best efforts to resolve any dispute(s) that may arise regarding this Agreement.

- (a) Negotiation. Any dispute that arises under or with respect to this Agreement shall in the first instance be the subject of informal negotiations between a senior executive of Seller, and a senior executive of Buyer, who shall use their respective best efforts to resolve such dispute. The dispute shall be considered to have arisen when one Party sends the other a notice that identifies with particularity the nature, and the acts(s) or omission(s) forming the basis of, the dispute. The period for informal negotiations shall not exceed fourteen (14) calendar days from the time the dispute arises, unless it is modified by written agreement of the Parties.
- (b) Mediation. In the event that the Parties cannot resolve a dispute by informal negotiations, the Parties involved in the dispute agree to submit the dispute to mediation. Within fourteen (14) days following the expiration of the time period for

{00128024.1}

informal negotiations, the Parties involved in the dispute shall propose and agree upon a neutral and otherwise qualified mediator. In the event that the Parties fail to agree upon a mediator either Party may request the American Arbitration Association (the “AAA”) to appoint a mediator. The period for mediation shall commence upon the appointment of the mediator and shall not exceed sixty (60) days, unless such time period is modified by written agreement of the Parties involved in the dispute. The decision to continue mediation shall be in the sole discretion of each Party involved in the dispute. The Parties will bear their own costs of the mediation. The mediator’s fees shall be shared equally by all Parties involved in the dispute.

(c) Arbitration.

(i) Rules of Arbitration. Any Dispute that is not settled to the mutual satisfaction of the Parties pursuant to Sections 11.1(a) and (b) shall (except as provided in Section 11.2(d)) be settled by binding arbitration between the Parties conducted in Chicago, Illinois, or such other location mutually agreeable to the Parties, and in accordance with the Commercial Arbitration Rules of the AAA in effect on the date that a Party gives notice of its demand for arbitration.

(ii) Dispute Submission. The Party initiating the Arbitration (the “Submitting Party”) shall submit such Dispute to arbitration by providing a written demand for arbitration to the other Party (the “**Responding Party**”), which demand must include statements of the facts and circumstances surrounding the dispute, the legal obligation breached by the other Party, the amount in controversy and the requested relief, accompanied by all relevant documents supporting the Demand.

(iii) Arbitrator Selection. The arbitrator(s) selected shall have contract resolution experience and experience in the electric power business and shall not have any current or past substantial business or financial relationships with the Parties or their Affiliates. Arbitrators must agree to be bound by the confidentiality provisions of this Agreement. If the amount in controversy is less than \$250,000, the Dispute will be determined by a single neutral arbitrator, who will be chosen by the Parties within forty-five (45) days of submission of the demand on the Responding Party. If the Parties cannot agree on a single neutral arbitrator within such period, the arbitrator shall be chosen by the AAA. If the amount in controversy is \$250,000 or greater, the Dispute will be determined by a Panel of three (3) arbitrators. Each Party shall select one arbitrator, but if a Party fails to select an arbitrator within forty-five (45) days of the submission of the demand on the Responding Party, the arbitrator will be chosen by the AAA. The two arbitrators so selected will select the third arbitrator, who shall act as the chairman of the panel. If the two arbitrators cannot select the third arbitrator within thirty (30) days (or such additional time as the Parties may agree) of the selection of both of the first two arbitrators, the third arbitrator shall be chosen by the AAA. As used herein, “Panel” means either a single arbitrator or a group of three arbitrators selected as provided herein.

{00128024.1}

(iv) Discovery. Within fifteen days (15) of the selection of the third arbitrator, the Parties shall submit statements to the Panel summarizing the issues in the case and including recommendations for discovery. Within twenty (20) days of receipt of the statements from the Parties, the Panel will meet with the Parties and issue orders on the scheduling of the case and any discovery to be permitted.

(v) Decision. Upon ten (10) days of completion of the hearing conducted by the Panel, each Party shall submit to the Panel its proposal for resolution of the dispute. The Panel in its award shall be limited to selecting only one of the two proposals submitted by the Parties. The award shall be in writing (stating the amount and reasons therefore) and shall be final and binding upon the Parties, and shall be the sole and exclusive remedy between the Parties regarding any claims and counterclaims presented to the Panel. The Panel shall be permitted, in its discretion, to add pre-award and post-award interest at commercial rates. Judgment upon any award may be entered in any court having jurisdiction.

(vi) Expenses. Unless otherwise ordered by the Panel, each Party shall bear its own expenses and one-half of the cost of the Panel. Payments of the Panel's costs shall be made on a monthly basis prior to the Award.

- (d) Exceptions to Arbitration. The obligation to arbitrate shall not be binding upon any Party with respect to (i) requests for preliminary injunctions, temporary restraining orders, specific performance, or other procedures in a court of competent jurisdiction to obtain interim relief deemed necessary by such court to preserve the status quo or prevent irreparable injury pending resolution by arbitration of the actual Dispute; (ii) actions to enforce an award of a Panel or otherwise to collect payments not subject to bona fide dispute; or (iii) claims involving third parties who have not agreed to participate in the arbitration of the Dispute.
- (e) Survival of Dispute Resolution Provisions. The provisions of this Section 11.1 shall survive any termination of this Agreement and shall apply (except as provided herein) to any disputes arising out of this Agreement.

## **ARTICLE XII MISCELLANEOUS**

12.1 Notices. All notices and other formal communications which either Party may give to the other under or in connection with this Agreement shall be in writing (except where expressly provided for otherwise), shall be deemed delivered upon receipt (except that notice provided by email shall be deemed delivered upon confirmation of receipt, of which auto-reply is insufficient), and shall be sent by any of the following methods: hand

12.2 Confidentiality. Except as provided in this Section 12.2, and to the extent allowed by law, neither Party shall publish, disclose, or otherwise divulge Confidential Information to any person at any time during or after the term of this Agreement, without the other Party's prior express written consent; provided that Seller may disclose the existence of this Agreement with Buyer to lenders and potential financing parties..

- (a) Each Party shall permit knowledge of and access to Confidential Information only to those of its affiliates, attorneys, accountants, lenders and financing parties, representatives, agents and employees who have a need to know related to this Agreement.
- (b) If required by any law, statute, ordinance, decision, order or regulation passed, adopted, issued or promulgated by a court, governmental agency or authority having jurisdiction over a Party, that Party may release Confidential Information, or a portion thereof, to the court, governmental agency or authority, as required by applicable law, statute, ordinance, decision, order or regulation, and a Party may disclose

{00128024.1}

Confidential Information to accountants in connection with audits, provided however, to the extent permitted by law, such disclosing Party shall promptly notify the other Party of the required disclosure, such that the other Party may attempt (if such Party so chooses) to cause that court, governmental agency, authority or accountant to treat such information in a confidential manner and to prevent such information from being disclosed or otherwise becoming part of the public domain.

- 12.3 Severability. If any non-material part of this Agreement is held to be unenforceable, the rest of the Agreement will continue in effect. If a material provision is determined to be unenforceable and the Party which would have been benefited by the provision does not waive its unenforceability, then the Parties shall negotiate in good faith to amend the Agreement to restore to the Party that was the beneficiary of such unenforceable provision the benefits of such provision. If the Parties are unable to agree upon an amendment that restores the Parties benefits, the matter shall be resolved under Section 11 (regarding dispute resolution) and an arbitrator may reform the Agreement as the arbitrator deems just and equitable to restore to the Party that was the beneficiary of the unenforceable provision the economic benefits of such provision.
- 12.4 Governing Law. This Agreement and the rights and duties of the Parties hereunder shall be governed by and shall be construed, enforced and performed in accordance with the laws of the State of Illinois without regard to principles of conflicts of law.
- 12.5 Entire Agreement. This Agreement, together with its exhibits, contains the entire agreement between Seller and Buyer with respect to the subject matter hereof, and supersedes all other understandings or agreements, both written and oral, between the Parties relating to the subject matter hereof.
- 12.6 Press Releases. The Parties shall cooperate with each other when making public announcements of any kind or in any form related to the execution and existence of this Agreement, or the sale or purchase of Credits and no Party shall issue any public announcement or statement with respect to the foregoing without the prior written consent of the other, which shall not be unreasonably withheld, conditioned, or delayed..
- 12.7 No Joint Venture. Nothing herein contained shall be deemed to constitute any Party a partner, agent or legal representative of the other Party or to create a joint venture, partnership, agency or any relationship between the Parties. The obligations of Seller and Buyer hereunder are individual and neither collective nor joint in nature.
- 12.8 Amendments; Binding Effect. This Agreement may not be amended, changed, modified, or altered unless such amendment, change, modification, or alteration is in writing and signed by both Parties or their successor in interest. This Agreement inures to the benefit of and is binding upon the Parties and their respective successors and permitted assigns.
- 12.9 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.
