Sportsmanship Meetings

All players will participate in a Sportsmanship Meeting with the Aquatic & Rink Program Supervisor. In this meeting, we will discuss sportsmanship basics such as acting with empathy, winning and losing with grace, and making meaningful apologies. These meetings will further the Park District's mission to be a model organization in terms of sportsmanship as well as give players valuable information to take with them in all areas of sport and competition. All parents and guardians will be invited to a similar meeting in which we will discuss how to report unsportsmanlike behavior and tools you can use to support your player's personal growth as well as their development as an athlete.

Goodman Elite Training

Oak Park and Goodman Elite Training are pleased to continue their training partnership! Goodman Elite Training is directed by Paul Goodman, Chicago Blackhawks Head Strength & Conditioning Coach, and 3 X Stanley Cup Winner. Goodman Elite's full-time coaching staff are highly educated, NSCA-certified strength and conditioning coaches, maintaining the highest level of coaching standards in the industry. Practicing his success at the NHL level and D1 Hockey strength & conditioning, Paul Goodman brings his scientific approach and proven holistic training program directly to Ridgeland Common Recreation Complex. Each training session will mirror the Goodman philosophy, containing elements of speed, balance, power, agility, mobility, total body, and core strength. Our athletes will receive a world-class strength & conditioning program during the hockey season. For the Fall 2023 season, Goodman Elite Coaches will train all teams 10U and up for 2 hours a week, one-hour on-ice, and one-hour off-ice. 8U teams will participate in monthly stride mechanics clinics.

Parent Volunteer Opportunities

The Ice Bears program is run on the generosity of our parent volunteer coaches and managers. If parents are interested in volunteering to coach or manage a team, they should reach out to Abby Sacks directly. The Park District requires all volunteers to submit to a background check as well as remain compliant with all USA Hockey volunteer requirements.

With the interest in providing the best hockey experience for your child, we have adopted the following Parental Code of Conduct Policy. Each parent is required to read the information below and sign the bottom of this form, acknowledging that you understand and are willing to abide by the policies set forth. Thank you for your support on this issue.

Parental Responsibilities:

1. Have your child at the arena, allowing enough time to get ready (minimum ½ hour). Lockers rooms are available and should be used at all times, rather than changing in the upper or lower lobby.
2. Always show support towards your child and the other children out on the ice. Don't forget that they are only children. Your support means a lot to them.
3. Set a good example by treating the officials, coaches, athletes, and fans with respect and dignity. *Remember, hockey is a game and a game should be FUN!* It is your responsibility to demonstrate the same type of behavior we wish to see in our children.
4. Support the coaches. Remember, they are *volunteering* their time. If you have a problem or suggestion, please discuss it with the Team Manager.
5. Never discipline your child for making mistakes or losing. Winning is not the main objective of the Ice Bears Hockey Program.
6. Coaches will attempt to provide *fair* ice time for all players, no matter their ability. Once again, as long as everyone gets to play and have fun the game was a success...no matter who had the highest score.

Parental Code of Conduct

Any parent's behavior, occurring in or about any ice arena during a game or practice, that brings discredit on Ridgeland Common, Ice Bears Hockey Program or any of its players, parents, or coaches, shall immediately be reported to a Coordinator and the Hockey Director as appropriate. If such investigation reveals that the incident occurred, the offending parent shall be barred from further games and/or practices for such period as the Hockey Coordinator, Program Supervisor, and/or Aquatic and Rink Manager deems appropriate. If the behavior is reported by an official to the *Amateur Hockey Association of Illinois*, a minimum suspension of three games will follow. If such parent who is suspended appears at any game or practice from which the parent has been banned, the child of the parent shall be benched for such period of time as that parent remains in violation.

I have read, understand, and will abide by the Parental Code of Conduct as outlined above. By signing below, I am committing my entire family to abiding by this policy.

USA Hockey Zero Tolerance Policy

Park District of Oak Park

In an effort to make ice hockey a more rewarding experience for all participants, AHAI has instructed the Officiating Program to adhere to certain points of emphasis relating to sportsmanship. This campaign is designed to require all players, coaches, officials, team officials, administrators, and parents/spectators to maintain a sportsmanlike and educational atmosphere before, during, and after all USA Hockey sanctioned games. Thus, the following points of emphasis must be implemented by all On-Ice Referees and Linesmen.

Players

A minor penalty for unsportsmanlike conduct (Zero Tolerance) shall be assessed whenever a player:

1. Openly disputes or argues any decision made by an official.
2. Uses obscene or vulgar language at any time, including swearing, even if it is not directed at a particular person.
3. Visually demonstrates any sign of dissatisfaction with an official's decision.

Any time that a player persists in any of these actions, they shall be assessed a misconduct penalty. A game misconduct shall result if the player continues such actions.

Coaches

A minor penalty for unsportsmanlike conduct (Zero Tolerance) shall be assessed whenever a coach:

1. Openly disputes or argues any decision made by an official.
2. Uses obscene or vulgar language in a boisterous manner to any one at any time.
3. Visually demonstrates any sign of dissatisfaction with an official's decision, including standing on the boards or standing in the bench doorway with the intent of inciting the officials, players, or spectators.

Any time that a coach persists in any of these actions, they shall be assessed a misconduct penalty. A game misconduct shall result if the player continues such actions.

Officials

Officials are required to conduct themselves in a businesslike, sportsmanlike, impartial, and constructive manner at all times. The actions of an official must be above reproach. Actions such as "baiting" or inciting players or coaches are strictly prohibited. On-ice officials are ambassadors of the game and must always conduct themselves with responsibility in mind.

Parents/spectators

The game will be stopped by on ice officials when the parents/spectators are displaying inappropriate and disruptive behavior, interfere with other spectators, or interfere with the game. The on-ice officials will identify violators to the coaches for the purpose of removing the parents/spectators from the viewing and game area. Once removed, play will resume. Lost time will not be replayed and violators may be subject to further disciplinary action by the local governing body. This inappropriate and disruptive behavior shall include:

1. Using obscene or vulgar language in a boisterous manner to anyone at any time.
2. Taunting players, coaches, officials, or other spectators by means of baiting, ridiculing, threat of violence, or physical violence itself.
3. Throwing any object in the spectator's viewing area, players bench, penalty box, or on the ice surface, directed in any manner to create a safety hazard.

Equal Opportunity Policy

USA Hockey shall provide an equal opportunity to armature athletes, coaches, trainers, managers, administrators, and officials to participate.
