

Maple Park Master Plan Review Community Meeting

December 13, 2022

Master Plan Review

- Please place name and email in the chat box
- At least once every 10 years the park is reviewed with the community to determine space use and functionality
- Provides insight to future capital needs and improvements

Tonight

1. Review process of park improvements
2. Look at improvements from 2016
3. Review planned improvements
4. Seek community feedback on current amenities

Master Plan Creation

Actual 2007

Created Plan in 2007

Improvements in 2010/11

- Added dog park
- Relocated tennis courts
- Created a meadow in the north
- Added walking path loops on north side of park

Maple Park in 2007 - no pathway along park

Maple Park - 2011

Open meadow with relocation of courts

Master Plan Review in 2013

Improvements in 2016/17

- Rehabbed ballfields and added boulders between fields
- Relocated playground and added accessible surface
- Added picnic pavilion
- Comfort station improvements
- New surface and added pickleball stripes to tennis court
- Completed walking path loops in park

Playground and Pavillion

Upgraded Ballfields

Dog Park, Walking Path and Courts

Maple Park Views

Walking / Jogging Paths

3 full laps = 2 miles

Future Improvements to complete plan:

Adding trees to west side along Harlem

Park User Feedback:
