## **Dear Parents and Guardians,**

Welcome to the Park District of Oak Park's Playschool, Nature Preschool, and Pre-K programs! Your child is about to begin an exciting journey this school year—one filled with opportunities to learn and grow socially, emotionally, and cognitively in a nurturing, play-based environment. Each day, they'll come to school excited to explore, create, and connect with others.

This handbook includes important information and answers many common questions about our programs. In addition to what you'll find here, you will receive ongoing communication from your child's teachers throughout the year. These updates, handouts, emails, phone calls, and daily interactions—will help keep you informed about the curriculum, class routines, and your child's development.

We encourage you to take time to review the policies and procedures outlined in the following pages. This handbook is designed to be a helpful reference to support you and your child throughout the school year.

We are so excited to partner with you as we learn, grow, and play together. If you have any questions or need anything at all, please don't hesitate to reach out. The teachers and I look forward to a safe, joyful, and enriching school year with your child!

Warmly,

Natalie Kurek  
Early Childhood Program Supervisor

## Staff

Our teachers bring a wide range of experience in both education and recreation. They are dedicated to creating a safe, engaging, and positive environment for every child. We take great pride in the quality of our staff and their commitment to ongoing professional development.

All of our teachers have passed comprehensive background checks and maintain current First Aid and CPR certifications. Additionally, they complete at least fifteen hours of continuing education each year through early childhood workshops, college courses, or conferences.

Many of our teachers have been with us for years and hold certifications in the field of education. They invest deeply in our program, and we truly value their unique strengths and collaborative spirit.

## Our Goals

### **Playschool, Preschool, and Pre-Kindergarten**

Our early childhood programs offer a developmentally appropriate and nurturing environment where young children thrive socially, emotionally, and cognitively. Through hands-on exploration, discovery, and meaningful social interactions, children begin to build a lifelong love of learning.

Guided by experienced teachers, our center-based activities engage children in key learning areas such as literacy, math, science, art, and motor development. Each experience is thoughtfully designed to support 21st-century skills like problem-solving, collaboration, and flexible thinking—essential tools for kindergarten readiness and future success.

### **Park District of Oak Park Mission**

In partnership with the community, we enrich lives by providing meaningful experiences through high-quality programs, welcoming parks, and accessible facilities.

## Our Curriculum

### **Preschool and Playschool: Learning Through Play**

Our preschool and playschool programs follow an emergent, play-based curriculum that centers on the interests of the children. We believe play is essential to every child's physical, social, emotional, and cognitive development.

Play is meaningful because it:

- Fosters self-awareness, self-control, and confidence
- Builds communication, cooperation, and conflict resolution skills
- Encourages curiosity, independence, and responsible risk-taking
- Develops academic foundations through hands-on exploration and discovery

Children learn through both structured, teacher-guided activities and unstructured, child-led play during center time. They are introduced to colors, numbers, letters, shapes, and relational concepts through a variety of experiences that support large and fine motor development. Open-ended play in areas such as dramatic play, science, math, literacy, and art enhances their understanding and love for learning.

Each week, teachers provide a curriculum calendar outlining the concepts and themes your child will explore—always using play as the foundation for meaningful learning.

## Playschool

### **Playschool (Ages 2–3)**

Playschool is a wonderful first step toward independence for your child! Designed for children ages 2 to 3, this program provides a warm and nurturing environment that supports the transition from home to school. Our focus is on fostering early social, emotional, motor, and cognitive development in a playful and supportive setting.

Caring, experienced teachers help children build preschool readiness skills such as taking turns, following directions, listening, and sharing. Language development is encouraged through theme-based activities including ABCs, counting, story time, songs, games, and creative projects.

Potty training is not required for enrollment. However, if an accident occurs, a parent or guardian will be contacted to return and assist the child. Please note that staff are not equipped to change diapers

## Preschool

### **Nature Preschool (Ages 3–4)**

Our Nature Preschool program invites children to engage in age-appropriate, play-based activities that support their social, emotional, and cognitive development. Each day offers opportunities for exploration, discovery, and creativity, with classroom experiences tailored to meet the individual needs of every child.

Children are introduced to foundational concepts such as letters, numbers, shapes, colors, and themed topics in a fun and meaningful way. Teachers place a strong emphasis on problem-solving, real-life connections, and peer relationships—incorporating early math, literacy, science, and social skills into daily activities to create a well-rounded and enriching experience.

While we prefer that preschool participants are potty/toilet-trained, we are happy to work with families as children continue to develop independence in this area.

# Pre-Kindergarten

## **Pre-Kindergarten (Ages 4–5)**

Our Pre-Kindergarten program provides a developmentally appropriate, play-based learning environment tailored to prepare children for the next step in their educational journey.

Activities are designed to encourage independence and collaboration, with opportunities to work individually, in small groups, and as a class.

The curriculum focuses on phonemic awareness, early writing, math, and reading readiness, while fostering problem-solving skills and independent thinking. Through hands-on experiences with materials, peer interactions, and meaningful teacher guidance, children gain the skills and confidence they need for future academic success.

To support bilingual development and broaden cultural awareness, children are also introduced to basic colors, shapes, and numbers in both Spanish and English.

### **Age Eligibility and District Guidelines**

All Playschool, Preschool, and Pre-Kindergarten programs in the Park District of Oak Park follow the Illinois State standard of a **September 1st birthday cut-off** for age eligibility.

Beginning with the **2025–26 school year**, **Oak Park School District 97** requires children to be enrolled in the grade that aligns with their age. In some cases, this may mean that enrolling your child in an additional year of Preschool could result in them **skipping Kindergarten**.

For more information about District 97's enrollment policy, [\[follow this link\]](#) (insert link here). If you have questions about which program is the best fit for your child, please contact the program supervisor for guidance.

# Registration

## Information

Registration is available online through **Amilia** until **late August 2025**. All enrollments must be completed online. At the time of registration, you will need to:

- Pay a **\$100 non-refundable administration fee**
- Pay the **first month's tuition** (fees vary by program)

After registration, you will receive a **welcome email** with a link to submit your child's emergency contact information, birth certificate, health form, and other required documents.

## Priority Enrollment

- **Oak Park residents** currently enrolled in Playschool, Preschool, or Pre-Kindergarten receive **priority registration** for the following school year.
- **Siblings** of currently enrolled Oak Park households are also eligible for priority enrollment.
- **Non-residents currently enrolled** in the program will have access to a special **non-resident priority** registration window.
- **New non-residents** may register only after the priority windows have passed, ensuring Oak Park residents and returning families are served first. **Administration Fee**

The **\$100 non-refundable administration fee** helps cover program costs.

## Paperwork Requirements

- All emergency and health information **must be completed online** before your child's first day.

## Enrollment Deadline

Children must be enrolled **at least three business days** before their first day of school. This time allows staff to process their registration, collect paperwork, and give teachers time to prepare for their child's arrival.

## Monthly Payment Information

### Monthly Payments

Payments are due by the **15th of each month**.

- The payment made in **May 2025** will cover **September 2025**.
- The payment due on **September 15, 2025**, will cover **October 2025**, and so on each month thereafter.
- The **credit card on file** from registration will be charged for payments. If you need to use a different card, please **update your payment information** in your Amilia account.

## Refund Policy & Receipts

Refunds will be prorated based on the number of full program days remaining in the month after withdrawal. Daily rates vary by program and will be calculated upon receipt of the required **Program Withdrawal Request** form. This rate is determined by dividing the total annual tuition for your child's specific program by the total number of attendance days.

Refunds apply only to scheduled program days within the month. Scheduled school holidays and breaks are excluded. No discounts or refunds are provided for absences, and payments may not be deducted for days a child is registered but does not attend.

### Withdrawing from the Program

If you need to withdraw at any time, please contact the Program Supervisor at **(708) 725-2155**. A **two-week notice** and a completed **Program Withdrawal Request** form submitted to one of our registration facilities are required. This ensures proper cancellation of automatic payments, communication with teachers, and a smooth transition for your child.

If notification is not provided, billing will continue.

### Receipts and Tax Information

Receipts are available anytime through your family account at [www.pdop.org](http://www.pdop.org). You can also request receipts to be emailed or printed during program fee payments at the Administrative Office. Tax statements can be mailed upon request at the end of the year.

The Park District of Oak Park's Tax ID Number is **36-6006028**

# Sign-In/Sign-out Procedure

## Sign-In:

Please do not bring your child more than **five minutes before class** begins, as teachers need time to prepare for the day. Upon arrival, staff will perform a health check and sign in your child to help prevent the spread of germs. Children will start the day by washing their hands, using the restroom, and changing into indoor shoes or slippers, which should remain at school. For everyone's safety, we ask that drop-off occurs at the **building entrance** rather than directly at the classroom door.

Teachers will use tablets or phones to check your child in, so please be aware there may be slight delays during this process.

## Sign-Out:

Pick-up time is **promptly at the end** of your child's scheduled program. Staff will sign out your child at pick-up.

Only individuals listed as authorized on the **Emergency Contact Form** in your Amilia Activity Messenger account (completed before the first day) may pick up your child. Teachers will use tablets or phones to check your child out, so a brief delay may occur.

If you want to authorize additional people for pick-up, please update the emergency contact form. The Park District requires **written or verbal notification** from parents for any additions or changes to the authorized pick-up list.

**Please inform anyone who picks up your child** that they will be asked to show **photo identification**. This policy applies to all individuals, including parents, especially those who do not regularly pick up the child

If teachers have any questions about an individual's authorization to pick up your child, you will be contacted **before your child is released**.

While we strive to follow parental wishes regarding pick-up, the Park District **cannot prevent a parent from picking up their child unless legal documentation is provided**. Please confidentially share any custody arrangements or restrictions with the Program Supervisor to ensure proper adherence to your f

## Late Pick-Up Policy

If you are running late, please call your child's teachers on the program cell phone to notify them of your expected arrival time (see page 3 for contact information). If you are stuck in traffic or unable to pick up your child for any reason, please contact one of the authorized adults listed on your child's emergency contact form.

If we have not heard from a parent **15 minutes after the scheduled end** of the program, a responsible adult listed on your child's emergency contact form will be called to pick up your child.

If we are unable to reach anyone **30 minutes after the program ends**, the Oak Park Police Department will be contacted for assistance.

If you arrive late and no one is at school, please first contact the individuals on your emergency form to check if they have a child.

After **three late pick-ups of 30 minutes or more**, the Park District reserves the right to dismiss your child from the program. This policy applies for the entire school year across all program locations.

**After three late pick-ups of 30 minutes or more, the Park District will dismiss the students from the program. This policy is enforced for the entire school year for all program locations.**

## Reporting an Absence

If your child is absent from the program for any reason, including illness, please notify your child's teachers by calling the program cell phone and leaving a message or by sending an email.

When reporting an absence, please provide:

- Your name
- Your child's full name
- Reason for the absence
- Date(s) your child will be ab

## Calendar, Days Off & School Holidays

Our Playschool, Preschool, and Pre-Kindergarten programs follow the **School District 97** calendar. Please note that the Park District programs may also be closed on additional dates, such as teacher institute days or other special occasions.

Your child's teacher will keep you informed of all non-attendance days through weekly calendars, posted notices at the school, and email reminders.

\*Playschool will have an adjusted schedule on the first day of school to help the separation process. Your child's teacher will email with details.

## Emergency Closings

### Weather-Related Closings and Notifications

For updates on weather-related school closings, Program participants will also receive email alerts.

School District 97 may occasionally schedule a **"Remote Learning Day"** during extreme weather conditions (previously called a "Snow Day"). In such cases, Park District programs may be cancelled.

To ensure you receive these important alerts, please keep your contact information current in your Amilia account.

If the Park District facility where your child attends experiences technical, mechanical, or other unforeseen issues, programs will be cancelled, and parents will be promptly notified.

## Health Care Policies

The Site Director or designated staff will conduct visual and verbal health checks for everyone entering the center, including children, parents, and staff. It is the **parent's responsibility** to ensure their child is healthy before taking them to school each day.

If your child shows any symptoms of a contagious illness, please consult your healthcare provider before bringing them to the program.

### Entry Restrictions

Staff will **refuse entry** to any child or adult exhibiting signs of illness, including but not limited to:

- Temperature of **100.4°F or higher**
- Vomiting or diarrhea
- Congestion or runny nose
- Continuous coughing
- Symptoms of **conjunctivitis (Pink Eye)**

### Contagious Infestations and Infections

Prompt treatment is required to prevent spreading to others. If your child contracts a contagious infection, other families will be notified, but your child's identity will remain confidential.

Below is a partial list of contagious conditions requiring a doctor's clearance note before your child can return to school (this list is not exhaustive):

- Strep throat
- Chicken pox
- Ringworm
- Head lice
- Impetigo
- Hand, foot, and mouth disease
- Conjunctivitis (Pink Eye)

### Emergency Care Plan

Please have a plan in place in case your child becomes ill while at school. If you are unable to leave work, ensure that someone else is available to care for your child promptly. This helps ensure the well-being and comfort of your child, as well as the health and safety of other

students and staff.

### Health and Illness Policy

All PDOP Playschool, Preschool, and Pre-Kindergarten classes follow the guidance of the Village of Oak Park Local Health Department and other applicable authorities.

- Children must be symptom-free for 24 hours without the use of fever-reducing medication before returning to school.
- If your child is absent due to illness, please notify your child's teachers by calling the center cell phone and leaving a message or by sending an email. Include your name, your child's full name, reason for absence, and the dates your child will be away.
- If a child becomes ill or injured while at the site, parents will be notified immediately. Please ensure you provide a phone number where someone authorized to pick up your child can be reached promptly.
- If teachers are unable to reach a parent or guardian, they will contact the emergency contacts listed on your child's emergency information form.
- In the event of a severe injury or illness requiring medical attention, emergency services will be called to provide immediate care or transport your child to a local hospital.

## Dispensing Medication

### Medication Policy

If your child requires medication during program hours, please notify your child's teacher as soon as possible.

Before any medication—prescription or non-prescription—can be kept and administered at school, a **Medication Dispense Form** must be completed. These forms are available

All medications must be in their **original container** and clearly labeled with:

- Child's full name
- Medication name
- Prescribing doctor's name
- Dosage instructions
- Any other specific direct

# Snacks

## Snack Policy and Allergy Awareness

The Park District of Oak Park provides snacks for students during programming hours.

To minimize risks, we **do not knowingly provide snacks that contain or may be contaminated with peanuts or tree nuts**, including:

1. All types of nuts (e.g., peanuts, walnuts, pecans, almonds, hazelnuts, cashews, pistachios)
2. Foods labeled “may contain peanuts or tree nuts”
3. Foods made on equipment shared with peanuts or tree nuts
4. Foods produced in facilities that process peanuts or tree nuts
5. Foods without ingredient labels or packaging

If you wish to celebrate your child’s birthday with a special snack, please ensure the snack is **store-bought, prepackaged, and meets the peanut/tree nut-free requirements above**. For safety reasons, these snacks will be sent home with students at dismissal for families to decide on consumption.

Thank you for helping us create a safe environment for all children.

## Approved Snack Examples

(These are examples, not an exhaustive list.)

- Fruit cups
- Applesauce
- Cheese bites
- Cheese & crackers
- Fresh veggies (e.g., cucumber slices, green pepper strips) with hummus
- Fresh fruit (e.g., small oranges, berries, small apples, bananas)
- Rice cakes
- Yogurt
- Graham crackers
- Granola or fruit bars
- Bagels with low-fat cream cheese
- Pita bread with hummus
- Goldfish crackers
- Animal crackers

## Snacks Not Permitted Due to Choking Hazards

- Popcorn

- Whole grapes (halved grapes are acceptable)
- Uncut carrots (thin, short strips of carrots are acceptable)
- Cherry tomatoes (halved cherry tomatoes are acceptable)
- Raw vegetables not cut into small, manageable pieces

## Food Allergies

### Special Dietary Needs

If your child has special dietary needs due to medication, allergies, illness, or other circumstances, please notify the teachers **in writing or by email**.

Food allergies will be posted in the Park District facility's kitchen to help teachers ensure proper food distribution during class-wide snack occasions.

If your child has multiple allergies or dietary restrictions and cannot eat the snacks provided, families are welcome to supply snacks in a **clearly labeled container** specifically for their child. Please notify the **Program Supervisor and teachers** in advance.

## Guidance & Discipline Policy

### Preschool Discipline Policy

At the Park District of Oak Park, we use a positive and compassionate approach to discipline. Redirection, distraction, gentle persuasion, and loving guidance are our primary tools for helping children develop self-control and appropriate behavior. Our goal is always to support the well-being of each child and the group.

If a child has specific needs that cannot be effectively addressed in the classroom, we will collaborate with families to recommend outside resources.

### Discipline Guidelines

1. Teachers set **developmentally appropriate limits** and behavior expectations.
2. Teachers act with **confidence, fairness, consistency, and patience** when redirecting or providing consequences.
3. Positive behavior is praised and encouraged; teachers serve as role models for appropriate actions.
4. Directions and expectations are stated in a **positive tone**, using a kind but firm voice.
5. Focus is on the child's actions—not their personality—to maintain respect, confidence, and reassurance.
6. Unexpected behavior is addressed immediately; consequences relate directly to the behavior and may include brief time away from the group.
7. Teachers may remove a child from one play area and direct them to another or use time away for repeated behaviors.

8. Teachers keep misbehavior in perspective and consider the child's overall needs.
9. Parents will be involved when uncontrollable or harmful behavior persists.
10. Discipline guidelines follow all **state licensing authority** requirements.
11. **Food and bathroom privileges are never used as punishment.**
12. **Corporal or physical punishment is strictly prohibited.**
13. All children, families, and staff must follow guidelines from authorities such as **IDPH, CDC, Village of Oak Park, and Cook County Public Health Department**, including health and sanitation practice

## **Philosophy and Procedures**

Discipline, redirection, and modeling help children learn self-control and appropriate behavior. Time away from the group is used briefly and thoughtfully to help a child refocus, under teacher supervision.

## **Dismissal Policy**

The Park District reserves the right to **dismiss any participant whose behavior endangers themselves or others**. Each situation is evaluated individually.

If a child cannot benefit from the program or negatively impacts the group despite efforts to meet their needs, dismissal may occur. In these cases, parents will be supported and referred to appropriate resources.

No refunds will be issued when dismissal is due to behavioral concerns.

# **Parent/Guardian Involvement**

Your child's teacher will schedule **two conferences** during the school year to discuss progress and development. If you have questions or concerns at any time, additional meetings can be arranged by contacting your child's teacher directly.

A sign-up sheet for conference times will be posted online as the scheduled conference dates approach.

We believe that **open communication between parents and teachers is essential** to your child's success and happiness. By working together, we can ensure your child feels supported, understood, and encouraged throughout the school year.

## **Field Trips, In-House Visitors, and Volunteers**

This school year, we will schedule field trips, in-house visitors, and volunteer opportunities to enrich classroom experiences. There may also be chances to volunteer outside of the classroom. If you have ideas or are interested in helping, please contact your child's teacher.

# A Day at School

## Clothing & Personal Items

Please dress your child in clothes that are comfortable for exploring, playing, and getting messy! Activities may include paint, mud, glue, sand, and more, some of which may stain. Keep an extra change of clothes in your child's backpack or at school for spills or accidents. Be sure to **label everything**, including clothes, shoes, and backpacks.

Please also bring a pair of shoes or slippers to be kept at school and worn indoors only.

## Outdoor Play

Children will go outside daily, so dress your child for the weather. Label coats, boots, hats, etc. Footwear should be safe for climbing and running—**closed-toe, rubber-bottomed shoes** are strongly recommended.

## Supplies

At the beginning of the school year, your child's teacher will provide a supply list. Occasionally, we may request additional items for special projects (like paper towel rolls or family photos). Please send a folder-size backpack—no small backpacks, please allow children to bring home art, papers, and notes throughout the week.

## Personal Belongings

Please avoid sending valuable items to school. Items from home should remain in your child's backpack throughout the school day. The Park District and teaching staff are not responsible for lost or stolen belongings.

# Specific & Special Needs

## Individual Needs & Inclusion Support

If your child has specific needs—medical, developmental, behavioral, or otherwise—please make sure to **complete the appropriate sections on our online forms** and **communicate directly with your child's teacher**. The more we know, the better we can support your child's experience. Depending on the nature of your child's needs, we may be able to make special arrangements to ensure they are comfortable and successful in our program.

Should you or your child's teacher feel additional support is needed, the Park District partners with **WSSRA (West Suburban Special Recreation Association)** to provide **inclusion aides** during program hours at **no additional cost to families**. We are proud to be an inclusive program and are committed to making sure all children have a positive school experience.

If you believe your child may benefit from an inclusion aide or additional support services, please contact the **Program Supervisor** to begin the process of finding the right fit for your child.

# We Are Here for You!!

## Questions & Communication

Questions and comments are always welcome! If any updates or additional information are needed during the school year, it will be shared directly with families at each program location.

The Park District of Oak Park looks forward to a great school year with you and your child
