This handbook is designed to be an overview of all the Park District's Summer Camps.***

SUMMER CAMPS

ACA Accreditation

The Park District of Oak Park is proud to be accredited by the American Camps Association (ACA). This nationally recognized program, developed exclusively for the camp industry, focuses on program quality, health, and safety issues. It also requires us to review every facet of our day camp operations on an annual basis and go through a reaccreditation process every three years. We have voluntarily submitted to this independent audit by camp experts and have earned this mark of distinction. The staff to camper ratio is 1:6 for campers ages 3-5, 1:8 for campers ages 6-8, and 1:10 for campers ages 9-13.

Park District of Oak Park Mission:

In partnership with the community, we enrich lives by providing meaningful experiences through programs, parks and facilities.

Our Camp Goals and Outcomes:

1. To help children experience new games and activities.
 - a. Provide the children with the opportunity to get outside and play new games whenever possible
 - b. Provide the children with unique opportunities through games and projects
2. To further develop camper confidence and self-acceptance
 - a. Provide a setting that makes each camper feel safe and important
 - b. Provide adult role models that encourage, engage, and positively direct campers daily
 - c. Providing positive reinforcement and encouragement of growth
3. To further develop campers' social skills
 - a. Provide the opportunity to meet new friends from the community
 - b. Provide campers with the tools to better enable them to interact with other campers
 - c. Provide the opportunity to work on group activities, projects, or participate in games

SUMMER CAMPS

Preparing for Your Day at Camp

- Bring a reusable water bottle to help keep your camper hydrated throughout their active day.
- Please apply sunscreen to your camper before leaving home. Pack additional sunscreen so that it may be reapplied by campers throughout the day. Spray on sun screen is preferred.
- Dress campers in comfortable clothing that can get dirty. Make sure that they are wearing shoes that the camper can participate in a variety of activities in; gym shoes are highly recommended.
- For full day camps, please pack a healthy lunch and snack marked with your camper's name. Do not send mayonnaise or milk-based products as refrigeration is not available. We recommend sending your child's lunch in an insulated lunch box with a reusable ice pack due to the lack of access to refrigeration. Due to potential allergies, **do NOT send peanut-based products (including peanut butter) or any other tree-nut based products. All PDOP camps are peanut/tree nut free.**
- Please leave all toys, electronic equipment (including cell phones), and any other valuable items at home. They only serve as a distraction that can lead to behavior problems or disappointment if the item is lost, stolen, or damaged. The Park District is not responsible for any lost or stolen items.
- Campers that attend extended camp will be provided a snack by PDOP that they will eat upon start of the extended program.
- Any additional special items such as a towel and swimwear, field trip waivers or special clothing will be communicated on your child's weekly schedule or in additional newsletters per campsite.
- **Please label all belongings.** Any lost items will be kept for 2 weeks before being removed from the campsite.

SUMMER CAMPS

Registration Deadlines & Forms

So that staff can be adequately prepared for the first day of each camp session, all campers must be registered and have submitted a Participant Emergency Form by 5pm on the Thursday before each camp session. Staff is unable to accept registration on-site. **Please be aware that your child will not be allowed into camp unless they are pre-registered and have a Participant Emergency Form on file.** All registration information can be found on our website at <https://pdop.org/programs/summer-camps/>. The link to the online Emergency Form will be emailed to you prior to the first day of camp, using the email address we have on file in our registration software.

Refund Policy

Our camps require a minimum of two weeks' notice to withdraw from a program and be refunded for it. Please note that there is a \$25 fee for any cancellations for Park District camps costing \$150 or more for each section, and a \$10 fee for Park District camps costing less than \$150 for each section. You may contact customer service directly at (708) 725-2000 to withdraw from a camp and be issued a full or partial refund or to be transferred to another camp.

Receipts

Receipts are available on your family's registration/household account. Annual childcare statements can also be provided upon request to the Program Supervisor. The Park District of Oak Park's Tax ID Number is 36-6006028.

In case of a separation or divorce, the custodial parent is responsible for making payments on time, and will receive all bills and tax statements.

Payment Plans

Camp payment plans are available thru March 31st for the summer of 2024. A \$25 non-refundable deposit is required for each camp session. Camp balance payments will be split between May 1st and June 1st using the same electronic payment choice at the time of registration. If payments are declined for any reason, it is your responsibility to follow up and complete the payments. Families with camp balances after the date of June 1st run the risk of having their camps cancelled.

To take advantage of the payment plan when registering online, make sure you are selecting the payment choice with installments for every camp session. If you do this process correctly, you will only owe \$25 for each summer camp session at checkout.

SUMMER CAMPS

Appropriate Clothing

Campers will be very active during camp. As a result, they should wear appropriate clothing that will enable them to participate in these activities – including closed-toed shoes. Please do not send your child to camp in flip flops or sandals. Please make sure that your child’s clothing does not contain any offensive wording or pictures. Parents will be contacted to bring an alternate set of clothes for their child if their clothing is deemed inappropriate.

Bus Rules

Many camps use busses to transport campers to:

- Field trip destinations
- The pool or ice rink (depending on distance/weather)
- To extended camp when there is inclement weather

When riding on a bus, campers are expected to abide by the following rules:

1. Sit with bottoms in seats and back to the back of the seat
2. No eating or drinking (except when water is allowed)
3. No shouting
4. Campers must be silent at railroad crossings and while the bus is backing up
5. Listen to all staff and bus driver rules
6. No standing or moving while on the bus
7. Windows only halfway down; never put anything (objects or body parts) out of the window
8. Backpacks must be placed on the camper’s lap or on the floor at their feet
9. Aisles are to be kept clear

SUMMER CAMPS

General Weekly Schedule

These schedules are just a general sample – each week will have its own unique games, activities, trips, and fun!

Who Do I Contact and When?

Site Supervisor – The majority of your communication will likely be with your child’s camp site supervisor. The site supervisor is on the camp site at all times and has the site phone with them throughout the day. If your child is going to be absent, late, or picked up early the site supervisor is the person to contact to let them know. If you have any questions about the camp schedule, field trip destinations, or what your camper should or should not bring to camp, please contact the Site Supervisor. See the above for contact information per site.

Camp Coordinator – The Camp Coordinator serves as a mentor and supervisor of site supervisors and counselors at various locations throughout the summer. The Coordinator ensures that staff follows camp schedules, fulfills job responsibilities, and adheres to safety requirements. The Coordinator oversees the development of camp itineraries, creates schedules, and leads staff meetings for assigned Day Camp programs while considering Park District rules and safety.

Program Supervisor – The program supervisor is the Park District’s full-time staff member who oversees that particular camp. If you have any questions or comments that pertain to the overall quality of that particular camp, you should contact the Program Supervisor. The Program Supervisor also has a better understanding of all of the different camps that the Park District offers, should you have questions about what camp is the best fit for your son or daughter.

Customer Service – If you would like to withdraw from a particular camp or program, please contact Customer Service at (708) 725-2000. Please remember to give two weeks advance notice should you request a refund from the Park District. Our two registration locations are Ridgeland Common Recreation Complex (415 Lake St.) and the Gymnastics Recreation Center (21 Lake St.)

SUMMER CAMPS

Sign In/Sign Out Procedures

All campers must be signed in at the beginning of the camp day and signed out at the end of the program by a parent/guardian. Children will only be released to individuals who have been given permission to pick up that child on the emergency form. The Park District must receive written notification from the parents of any additions or changes to this list. In the event of an unreported absence from camp, camp supervisors will call home after the first hour of camp.

Please bring your ID with you when signing out your child. Individuals will be asked to show their ID when picking up a child to ensure that they have been given permission to do so on that child's emergency form. We do this to ensure the safety of all of our participants. Campers that are 12 years or older may be granted permission by their parent or guardian to sign themselves in and out. For children that are 10 or 11 years old, we highly recommend that they are signed out by a parent or guardian. We do not provide crossing guards and children will not be leaving in large numbers to walk home. If a parent feels their 10 or 11 year old can sign themselves out, written notification must be provided in advance (they will have the option to do this on their child's emergency form). Children under 10 years of age must be signed in and out by a parent/guardian. If you have a special request, please connect with the Program Supervisor.

On occasion you may decide that you would like to add somebody to your child's authorized pickup list. There are a few different ways to do this:

1. Request your unique web address from the program supervisor to update your child's online emergency form.
2. Turn in a signed hand-written note to your child's site supervisor granting us permission to release your child to that individual.
3. Email permission to the program supervisor.

All authorizations must be received in writing.

If the program staff has any questions about an individual's authorization to pick up your child, you will be contacted before your child is released.

While we will always attempt to follow parental wishes, the Park District cannot stop a parent from picking up their child unless there is a restraining order in place. Please provide the Program Supervisor with any confidential custody information.

Drop-Off

On the first day of each camp session all participants must be dropped by the camp entrance and signed in via our sign-in procedures. All other camp days will offer a drive through drop off option as a convenience to parents. In your welcome letter, you will receive a detailed description of your drive through drop off location. Staff will meet you at the location, provide sign-in, assist participants with safely exiting the vehicle, and walk them to the facility entrance.

SUMMER CAMPS

Late Pick-up Policy

Please be aware of what time your child's camp ends. If you are late, please call your child's Site Supervisor on the program cell phone to notify them of your arrival time. If you are stuck in traffic or unable to pick up your child for any reason, please contact one of the authorized adults listed on your child's emergency form.

Late Pick-Up Fee: After the program ends, a late fee of \$10 per child for each 15 minute period will be assessed

1-15 minutes late	\$10
16-30 minutes late	\$20
31-45 minutes late	\$30
46+ minutes late	\$40

Program staff cannot accept late fees. All parents picking up their child late will be required to sign a late payment form and will be billed accordingly

If we have no contact from a parent 15 minutes after camp ends, a responsible party from your emergency form will be contacted to pick up your child. If we are unable to make contact with anyone who can pick up your child 30 minutes after camp ends, we will contact the Oak Park Police Department for assistance. If you are late and there is no one at the camp site, first contact the individuals listed on your emergency form to see if they have your child.

After three late pick-ups of 30 minutes or more, the Park District will dismiss the child from the program. This policy is enforced for the entire summer for all program locations.

Flex Pick-Up

To accommodate parents that have children enrolled in multiple PDOP camps throughout town, we offer flex pick-up from 3-3:30. Please alert your child's site supervisor on the first day of each week if you are planning on utilizing the flex pickup option.

SUMMER CAMPS

Health Care Policies

Our camps are not licensed for the care of sick children. For the benefit of everyone attending our camps, we require that any campers suspected of having (or have been diagnosed as having) a contagious illness stay home from camp. Staff have the authority to refuse any child who shows signs of illness using the following guidelines:

- **Temperature of 100 degrees:** A child who is ill with a fever may not be at camp, even if controlled by medicine.
- **Vomiting:** A child who vomits will be sent home immediately.
- **Strep throat:** A child must take antibiotics for 24 hours before returning, and can only return if there has been no fever for 24 hours and they continue to take antibiotics for 10 days.
- **Diarrhea:** A child who has diarrhea twice in one day will be sent home.
- **Chicken Pox:** A child must remain home until **all** blisters have dried and formed scabs. This usually is 7-10 days after the pox began.
- **Ringworm:** Children may return 24 hours after starting treatment. The ringworm must be covered until no longer visible.
- **Conjunctivitis - Pink Eye:** A child with pink eye or conjunctivitis will be sent home. Children may return 24 hours after treatment begins, or until the active infection passes completely.
- **Viral Conjunctivitis:** A child may return once the Program Supervisor receives a doctor's release stating that the child does not have bacterial conjunctivitis.
- **Head Lice:** A child must remain at home until nit free.
- **Contagious Infestations or Infections:** Need prompt treatment to prevent the spread to others. If your child should come down with a contagious infection, other parents will be notified; names will be kept confidential. In these situations a doctor's clearance note is required prior to your child's return to camp.

It is the parent's responsibility to verify their child's daily health is adequate before bringing their child to camp. A child who shows signs of illness should be kept at home for the benefit of all. **If your child is exposed to a communicable disease**, you must notify the Program Supervisor immediately for the protection of the students and staff.

If your child will not attend camp due to an illness, please call the camp Cell Phone to leave a message or send an email to your child's Site Supervisor. Please give your name, your child's name (first and last) and the date(s) they will be absent.

If a child becomes ill or injured while on the site, their parents will be notified immediately. Staff will call the emergency contacts listed on your child's emergency information form if staff are not able to reach a parent or guardian directly. In case of a severe injury or illness that may require care from a health care professional, program staff will first contact emergency services to provide immediate care for your child on-site or transport their child to a local hospital.

In severe and unique cases, the Park District of Oak Park may request that a child take an intermission from participation, until a doctor's release is provided stating that the child's condition is safe to return for both the participant and staff.

A physician should diagnose any child who experiences symptoms of a contagious disease. If you have any questions regarding an illness, please call in advance before dropping your child off. Thank you for your cooperation in helping us to provide a safe and healthy environment for all participants!

SUMMER CAMPS

Dispensing Medication

If your child requires medication during the time they are in our care, please notify the Park District as soon as possible. Before any medication (prescription and non-prescription) may be given to the camp staff, a medication dispensing form must be completed; these are available through your child's Site Supervisor or online at on our camp page.

Both prescription and non-prescription medicines must be in their **original container and clearly marked with the child's first and last name, medication name, doctor's name, dosage and other specific directions**. Parents must bring medication directly to the Site Supervisor at the program location; please verbally review all instructions and any other special considerations with your child's Site Supervisor at this time.

All medications will be kept with your child's counselor in their safety backpack. Our staff is not authorized to directly administer any medications. If needed, a staff member will verbally assist your child with taking their medication.

Food Allergies

If a child has special dietary needs due to medication, allergies, illness, or special circumstances, **you must note this in their emergency form**. A list of food allergies will be posted in the Park District facility's kitchen and in the binders of our camp staff, so our staff can ensure proper food distribution. If your child attends a camp where snacks provided and they can't enjoy the snacks due to multiple food allergies or dietary restrictions, parents are welcome to provide snacks and a container specifically for your child. We are a nut restricted facility. **Do not send your child with peanut or tree nut products for lunch or snack.**

Outdoor Play

Our camps are committed to providing recreational opportunities for children, both indoors and outside! We will go outside to enjoy the playground or play organized games when weather permits. If your child is not able to participate in outdoor activities for medical purposes, a doctor's note is required. Our program is not equipped to provide one-on-one care.

SUMMER CAMPS

Sustainability

At the Park District of Oak Park, sustainability is a core value. We encourage all staff and campers to support our environmental efforts by bringing reusable lunch bags and containers to minimize waste. Campers will engage in outdoor play to foster a connection with nature. Our programs include activities that build awareness and responsibility for the natural environment, teaching campers the importance of conservation and sustainability.

Pool Safety

Lifeguard Training Program

All lifeguards at the Park District of Oak Park are trained through Ellis and Associates International Lifeguard Training Program. Ellis & Associates provides direction in mitigating risk and sets the standard for aquatic safety.

The Park District of Oak Park lifeguards must complete a 28-hour lifeguard course to be licensed, train for 30 minutes after each shift and complete 4 hours of in-service training per month. Additionally, lifeguards are drilled while actively in the chair with a special aquatic doll placed in their lifeguarding zone, or another staff member enacting that they are a guest in distress. All the PDOP lifeguards training tests them to be rescue ready at all times and meet Ellis's objectives for all skills.

SUMMER CAMPS

Camper Pool Safety

Prior to summer beginning, camp staff in conjunction with the Park District aquatic staff attend a 3-hour interactive training on aquatic safety. This training reviews water depths, the camper swim test, general pool rules and emergency protocols. Prior to getting in the water on the first date of camp swim time, all campers who wish to swim in water deeper than their armpits, must take the camp swim test. If campers do not wish to complete or do not pass the camp swim test, they will still enjoy the pool in depths they can stand. While we understand campers may have friends that pass the swim test and your child may feel left out not passing, our number one priority in an aquatic environment is their safety. *Campers may not utilize lifejackets during camp swim time unless there is a medical need, the PDOP does not provide extra staff as means for children who do not pass the swim test to enter water that is too deep for them to stand.

Camp Swim Test

- All campers grades 2nd and up will receive a swim test evaluation the first day they attend the pool with camp unless they choose to take a red wristband.
 - K-1 Campers and younger will be given a red wristband.
- The swim test is facilitated by Aquatic Leadership
- The point of the swim test is to test endurance of the camper in that they can swim in the middle of the pool for an extended period of time with no walls nearby, or even continuously go off the diving board all camp time without reaching exhaustion which could lead to entering a state of distress or active drowning.
- Swim Tests are conducted on the first pool visit of each camp session. Campers will have less free pool time on these days.

Swim Test

- The test facilitator prompts the camper to jump into the pool and fully submerge underwater
- Campers vertically tread water for 10 seconds with their head above water
- Once instructed, camper swims forward **on the surface of the water** for 25 meters
 - Can be any stroke, as long as they are on their front, above water, and the stroke is STRONG, the camper must breathe with ease
- Once they reach the end of the 25 meter, the camper will recite the A,B,Cs to the facilitator and then grab the wall.
- If at any point the camper appears to fatigue, is gasping for air, grabs for support, stands up or stops, or the facilitator sees something else that gives them reason to believe the camper would not be safe in the deeper water, the swim test will end for that day and camper be given a red wristband. The camper may retake the swim test the next day.
- A red or green wristband will be issued to the camper based on their test results

Wristband Colors

- Green
 - Ability – swimmer must exhibit a strong swimming stroke and go from one side of the pool to the other without stopping or touching the pool bottom.
 - Access – these campers are allowed to go anywhere at either facility
- Red

SUMMER CAMPS

- Ability – campers who do not competently swim across the pool (using a consistent, on top of the water stroke) and/or touch the pool bottom multiple times during their attempt will receive a red wristband.
- Access – swimmers who receive a red wristband should not surpass a water depth that is deeper than one hand above their belly button. These participants may not use the diving boards at Ridgeland or the diving well at Rehm at any time during the camp day.
- Note: All campers must be accompanied by camp staff at all times while at the pool. Just because a camper receives a green wristband does not mean they are permitted to swim without adult supervision.

Swim Lessons

Jr Spark, Spark K-1 and Splash Camp will take part in swim lessons. The Park District of Oak Park teaches the Starfish Aquatic Institute swim lesson program which focuses on aquatic safety and stroke development. Campers will be divided by age, and when possible instructors will also divide the campers by swimming ability and comfort level.

**There are no refunds given if the PDOP must cancel camp swim lessons due to weather, environment or maintenance concerns.*

SUMMER CAMPS

Child Abuse Prevention

All Park District of Oak Park summer camp employees are Illinois Department of Children & Family Services Mandated Reporters. All employees have completed the DCFS online mandated reporter training.

Participant Code of Conduct

We want our camps to be a great experience for everyone involved. For this to happen, everyone needs to play a role in creating a positive and safe environment. The Park District and Camp Staff appreciate your cooperation and understanding of these rules:

- Showing respect to all participants, staff, equipment and facilities
- Behaving in a way that results in only appropriate, kind, and positive interactions with others
- Leaving any unnecessary items at home that may cause a distraction at the program, including toys, cell phones, electronics, or items that appear to look like weapons
- Refrain from causing bodily harm to self, other campers, or staff
- Take direction from staff

Consequences for not following the rules listed or any other rules developed for the specific camp locations will be shared with the participants. For this to be successful, the Park District asks for parents' support in enforcing these guidelines.

Staff will address each incident with the participant (and parent if the situation requires) in a positive and fair manner meant to help teach participants how to make better choices. In instances where re-direction and a reminder of the rules is not effective, staff will follow the following discipline procedures:

- 1st infraction: Verbal Warning
- 2nd infraction: Time-Out/loss of privilege, parent notification
- 3rd infraction: Behavior Management Plan discussed with parents
- 4th infraction: Suspension or dismissal from all Park District Camps

*Behavior management plan may be discussed for the following:

- Fighting, teasing, or using inappropriate language toward other campers
- Damaging property or equipment
- Damaging property of other campers
- Disrespecting or disobeying Camp or Park District Staff
- Leaving designated group or grounds without permission
- Stealing
- Gang Association (participant will be dismissed from the program)

The Program Supervisor, Camp Coordinator, and Site Supervisor will interpret these rules. A child may advance through the levels of the Discipline Procedures or may jump to a higher level dependent upon the severity of the behavior.

The Park District reserves the right to dismiss a participant whose behavior endangers the well-being of themselves or the program and no refunds are issued in these circumstances.

SUMMER CAMPS

Behavior Plans

In certain situations, when deemed appropriate by the Park District staff, the camper and their parent will be asked to agree to a behavior management plan. This plan will clearly lay out our behavior expectations and guidelines in an effort to make our camps a positive experience for all of our participants.

Parent Conferences

If a student consistently displays unacceptable behavior during camp, parents may be asked to attend a conference with the Site Supervisor, Camp Coordinator, and/or the Program Supervisor. Parents may also request a conference to discuss concerns or poor behavior. We believe open communication between parents and staff is essential to your child's success and happiness. Please feel free to ask questions at any time.

Inclusion

The Park District of Oak Park (PDOP) and West Suburban Special Recreation Association (WSSRA) work together to provide support to children who enroll in PDOP programs and who have a disability. If you think your child may need additional support, due to disability, please keep reading to become familiar with the PDOP Inclusion process.

1. At the time of registration, please note the request for additional support
 - When you enter an individual from your household in our registration system you will be asked if they would benefit from a WSSRA aide. Please answer yes or no. You may also call or visit customer service to be connected to the appropriate program staff to request an aide.
2. The PDOP will forward your contact information and program information on to the WSSRA Inclusion Manager.
3. A member of the WSSRA Inclusion Team will contact you to assess your child's strengths and needs.
4. WSSRA and the PDOP will work with you to determine what level of accommodation is needed to best support your child, in a least restrictive environment.
5. Accommodations may include:
 - Training and resources to PDOP camp & program staff;
 - Program observation and suggestions for activity modification;
 - Behavior management development and implementation training for PDOP camp & staff;
 - Provision of a 1:1 Inclusion Aide.

Who is eligible for Inclusion Services?

Any individual who has a disability and registers for a Park District of Oak Park program.

SUMMER CAMPS

What types of services are available?

WSSRA will provide the type of support deemed necessary for successful participation in a partner agency program. Supports may include:

- Provision of staff training and resources to partner agency staff;
- Evaluation and modification of program activities;
- Training and use of adaptive equipment;
- Developing behavior management plans;
- Providing additional support staff including sign language staff & Inclusion Aides.

The type and level of support is individualized for each situation.

What is the cost for inclusion services through WSSRA?

Inclusion services are provided at no cost through the Park District of Oak Park. Participants must pay the program fees, but there is no additional cost for inclusion services.

Who do I contact if I have a question? If you have questions or need assistance regarding the program, program content, or program fees, please contact the partner agency. If you have questions regarding the inclusion process or supports, please contact WSSRA's Inclusion Manager, Chris Strum at (847) 455-2100.
